

**REQUEST FOR PROPOSAL (Amendment #1)  
Modular Manufacturing and Energy Modeling Services**

**PROJECT: Kennewick Micro Homes**

**IV. SUBMISSION AND EXPERIENCE REQUIREMENTS:**

Only modular manufacturing firms with the following experience will be considered:

- License and ability to transport and install structures to a site in Washington State, or ability to subcontract transportation and installation to a subcontractor licensed in Washington State
- All other requirements are unchanged

All proposals must include the following:

- The ability for a representative from you firm to meet after 9:30 am on June 26th, 2019 or after 1:30 pm on June 27th, 2019 for an interview in Kennewick.
- For firms applying for only the energy modeling scope, an interview by telephone rather than in person is acceptable and will be scheduled by request on the dates and times reserved for interviews.
- All other requirements are unchanged.
