

CHAPTER 1

THE FAMILY SELF-SUFFICIENCY PROGRAM AND THE FSS ACTION PLAN

INTRODUCTION

This chapter provides an overview of the family self-sufficiency (FSS) program and FSS action plan, including the purpose, organization, and required contents of the FSS action plan.

Part I: The Family Self-Sufficiency (FSS) Program and FSS Action Plan: This part provides an overview of the family self-sufficiency program and the purpose of the FSS action plan.

Part II: Requirements of the FSS Action Plan: This part covers action plan requirements, including development, revision, and contents of the action plan. It also contains information on family demographics, which is part of the required contents of the action plan.

PART I: THE FAMILY SELF-SUFFICIENCY (FSS) PROGRAM AND FSS ACTION PLAN

1-I.A. OVERVIEW OF THE FAMILY SELF-SUFFICIENCY PROGRAM

The origins of the FSS program are in two pilot projects implemented in 1986 and 1990, Project Self-Sufficiency and Operation Bootstrap, respectively. These projects were set up to test self-sufficiency programs for families with housing subsidies, and both demonstrated that families needed essential services to move toward economic self-sufficiency. These services include childcare, transportation, medical care, and long-term education and training.

In the wake of the successful demonstration of these projects, family self-sufficiency became one of the initiatives under the Homeownership and Housing Opportunities for People Everywhere (HOPE) program enacted in 1990, and the FSS program was subsequently created under the National Affordable Housing Act the same year.

FSS built upon and refined both Project Self-Sufficiency and the Bootstrap program. It remained a voluntary program in 1991 and 1992 but became mandatory in 1993 for any new increments of funding issued to PHAs. The 1993 regulations were further modified by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). In 2018, expansive changes were made to the FSS program by the Economic Growth, Regulatory Relief, and Consumer Protection Act known as “the Economic Growth Act” or “the Act.”

The purpose of the FSS program is to coordinate housing assistance with public and private resources to enable assisted families to achieve economic self-sufficiency. The purpose and basic requirements of the FSS program are further elaborated upon in Chapter 2.

This family self-sufficiency program is administered by the **Housing Authority City of Kennewick (KHA)** for the jurisdiction of **City of Kennewick, Richland, West Richland, Benton City, and Prosser in the County of Benton City**.

- 24 CFR Part 984: Section 8 and Public Housing Family Self-Sufficiency Program

1-I.C. THE FAMILY SELF-SUFFICIENCY ACTION PLAN

The family self-sufficiency (FSS) action plan is required by HUD. The purpose of the FSS action plan is to establish policies for conducting the family self-sufficiency program in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's Agency Plan. This FSS action plan is a supporting document to the PHA Agency Plan and is available for public review as required by 24 CFR Part 903.

This family self-sufficiency action plan is set forth to define the PHA's local policies for operation of the program in the context of federal laws and regulations. All issues related to FSS not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable laws. The policies in this FSS action plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the FSS program. If such changes conflict with this plan, HUD regulations will take precedence.

Administration of the FSS program and the functions and responsibilities of PHA staff shall comply with the PHA's personnel policy and HUD's family self-sufficiency regulations, as well as all Section 8 and public housing regulations, in addition to federal, state, and local fair housing laws and regulations.

PART II: REQUIREMENTS OF THE FSS ACTION PLAN

1-II.A. OVERVIEW

A PHA must have a HUD-approved action plan before implementing an FSS program, regardless of whether the FSS program is a mandatory or voluntary program. Further, this action plan must comply with the requirements specified for the plan in the regulations [24 CFR 984.201(a)].

The regulatory requirements dealing specifically with the FSS action plan itself largely involve the development, revision, and required contents of the action plan. This part covers those requirements.

1-II.B. HUD APPROACH TO POLICY DEVELOPMENT

In developing policy for the FSS action plan, PHAs need to be aware of the distinction HUD makes between mandatory and discretionary policies.

- *Mandatory policies* are those driven by legislation, regulations, current handbooks, notices, and legal opinions.
- *Discretionary policies* consist of those developed for areas in which the PHA has regulatory discretion, or regarding optional, nonbinding guidance including guidebooks, notices that have expired, and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory regulations and to make clear the optional policies the PHA has adopted. The PHA's FSS action plan is the foundation of those policies and procedures for the FSS program. HUD's directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully consider those decisions.

1-II.C. FSS ACTION PLAN DEVELOPMENT AND REVISION

Development of Action Plan [24 CFR 984.201(b) and (c)]

When developing an FSS action plan, a PHA must do so in consultation with the chief executive officer of the applicable unit of general local government and the program coordinating committee (PCC).

For all voluntary or mandatory FSS programs, the PHA must submit its action plan and obtain HUD approval of the plan before it can implement the FSS program. This includes a voluntary program established because the PHA chose to implement an FSS program that exceeds the

minimum size for a mandatory program (see Section 2-II.A. for a discussion of mandatory versus voluntary FSS programs).

Single Action Plan [24 CFR 984.201(f)]

PHAs implementing both a Section 8 FSS program and a public or Indian housing FSS program may submit one action plan. In cases where the PHA decides to submit one plan for more than one program, the policies contained in the action plan would apply to both programs.

KHA Policy

KHA is implementing both a Public Housing and Section 8 FSS program, which may include Tenant-Based and Project-Based Section 8, HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, Family Unification Program (FUP), and Foster Youth to Independence Initiative (FYI). KHA will submit one action plan, the policies which apply to both programs.

Revision to the FSS Action Plan [24 CFR 984.201(c)(2)]

Following HUD's initial approval of the action plan, no further approval of the action plan is required unless the PHA proposes to make policy changes to the action plan, increase the size of a voluntary program, or revise the FSS action plan as needed to comply with changes in HUD regulations. The PHA must submit any changes to the action plan to HUD for approval.

KHA Policy

KHA will review and update the action plan at least once a year, and more often if needed, to reflect changes in regulations, KHA operations, or when needed to ensure staff consistency in operation.

1-II.D. CONTENTS OF THE PLAN [24CFR 984.201(d)]

HUD regulations state that there are several components that must be included in the FSS action plan. At a minimum, the action plan must cover the policies and procedures of the PHA for operation of a local FSS program as follows:

- Family demographics, including a description of the number, size, characteristics, and other demographics such as racial and ethnic data, in addition to the supportive service needs of the families expected to participate in the program. (Chapter 1)
- Estimate of participating families, which means the number of families which can reasonably be expected to receive supportive services under the FSS program. (Chapter 2)
- Eligible families from any other local self-sufficiency program are expected to agree to executing an FSS contract of participation. (Chapter 2)
- A statement of the PHA's FSS family selection procedures, including a description of how the procedures ensure that families are selected without regard to race, color, religion, disability, sex, familial status, or national origin. (Chapter 4)
- A description of the incentives that the PHA intends to offer to families to encourage participation in the FSS program (an incentives plan), including the establishment of the escrow account. (Chapter 4)

- Outreach efforts, which include a description of the PHA’s efforts to recruit eligible families, the actions the PHA will take to ensure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known. (Chapter 4)
- A description of the FSS activities and supportive services to be provided by both public and private resources to FSS families, and identification of these public and private resources. (Chapter 4)
- A description of the PHA’s method for identifying family support needs, including how the PHA will identify the needs and deliver the services. (Chapter 4)
- A description of the PHA’s policies regarding program termination or withholding of services based on a family’s failure to comply with the FSS contract, and available grievance procedures. (Chapter 5)
- Assurances of noninterference with rights of non-participating families which state that a family’s election to not participate in the FSS program will not affect the family’s admission to the Section 8 or public housing program, nor will it affect their right to occupancy in accordance with its lease. (Chapter 4)
- A timetable for implementation of the FSS program, including the schedule for filling FSS slots with eligible FSS families. (Chapter 2)

A certification that development of the services and activities under the FSS program has been coordinated with programs under Title I of the Workforce Innovation and Opportunity Act, other relevant employment, childcare, transportation, training, education, and financial empowerment programs in the area, and will continue to be coordinated to avoid duplication of services and activities.

Optional Additional Information [24 CFR 984.201(d)(13)].

- HUD encourages additional information in the action plan that would help to determine the soundness of the PHAs proposed FSS program.

KHA Policy

KHA will submit additional optional information in this action plan that will help HUD determine the soundness of the proposed FSS program.

This information includes:

- Policies related to the modification of goals in the ITSP. (Chapter 5)
- Policies on the circumstances in which an extension of the contract of participation may be granted. (Chapter 5)
- Policies on the interim disbursement of escrow, including any limitations on the use of the funds. (Chapter 6)
- Policies regarding eligible uses of forfeited escrow funds by families in good standing. (Chapter 6)
- Policies regarding the re-enrollment of previous FSS participants, including graduates and those who exited the program without graduating. (Chapter 4)
- Policies on requirements for documentation for goal completion. (Chapter 4)
- Policies on documentation of the household’s designation of the “head of FSS family.” (Chapter 4)

- Policies for providing an FSS selection preference for porting families if the PHA elects to offer such a preference. (Chapter 7)

1-II.E. FAMILY DEMOGRAPHICS [24 CFR 984.201(d)(1)]

As part of the required contents of the FSS action plan, family demographics of the Section 8 and public housing program participants serve to provide a description of the number, size, characteristics, and other descriptive data (including racial and ethnic data of those participants). These data may later be used to help the housing authority and the program coordinating committee (PCC) to identify supportive service needs of the families expected to participate in the FSS program.

KHA Policy

The FSS program will serve the following housing assistance programs:

CHAPTER 2

PURPOSE, SCOPE, AND APPLICABILITY OF THE FAMILY SELF-SUFFICIENCY PROGRAM

INTRODUCTION

This chapter contains information about the FSS program's purpose, size, and measurable objectives as well as information on program operation. This includes potential participant demographics, the program timetable, the number of families to be served, and the size of the PHA's voluntary FSS program. This chapter also contains definitions of the key terms in this FSS action plan.

Part I: The Purpose and Basic Requirements of the FSS program: This part includes a description of the purpose of the FSS program on a national level—its intent, goal, and major strategies.

Part II: The Scope of the FSS program: This part contains information about housing assistance programs eligible to participate in FSS, the size of the PHA's FSS program, an estimate of participating families, eligible families from other self-sufficiency programs, and eligibility for combined FSS programs.

Part III: Program Operation: This part specifies the requirements for FSS program operation, including voluntary FSS program implementation.

Part IV: The Definitions of Terms Used in the PHA's FSS program: This section contains both HUD and PHA definitions for terms used in this policy document.

PART I: PURPOSE AND BASIC REQUIREMENTS OF THE FSS PROGRAM

2-I.A. PURPOSE

The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources enabling families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency [984.101(a)(1)].

In addition to this broader national goal of the FSS program, the PHA also establishes a local goal consistent with the PHA's mission statement to serve as a guide for establishing policy and implementing the FSS program.

KHA Policy

KHA's local goal in operating this FSS program is to match housing-assisted families with a broad range of highly collaborative existing community services to assist FSS families in achieving economic self-sufficiency. *Economic self-sufficiency* is defined as having the sustainable skills necessary to maintain employment paying a "living wage."

This wage would pay for the family's basic needs without the use of government subsidies.

2-I.B. PROGRAM OBJECTIVES [24 CFR 984.102]

In order to reach the FSS national program goal, HUD has defined its FSS program objective as to reduce the dependency of low-income families on welfare assistance and on housing subsidies. Under the FSS program, low-income families are provided opportunities for education, job training, counseling, and other forms of social service assistance while living in assisted housing so that they may obtain the education, employment, business, and social skills necessary to achieve self-sufficiency. As with the goals of the program, FSS program objectives are defined on the national level through FSS regulation, and on the local level by PHA policy.

KHA Policy

On the local level, KHA will achieve the national program objective by offering low-income families a broad range of services through partnering with the Program Coordinating Committee (PCC). These services will provide long-term education, job training, counseling, and other forms of social service assistance so that families may achieve economic self-sufficiency, as defined in Section 2-I.A. of this document.

2-I.C. BASIC REQUIREMENTS OF THE FSS PROGRAM [24 CFR 984.104]

An FSS program established under 24 CFR Part 984 must operate in conformity with the regulations and this FSS action plan (as required in 24 CFR 984.201, provide comprehensive supportive services as defined in 24 CFR 984.103, and operate in compliance with nondiscrimination and equal opportunity requirements.

2-I.D. BASIC REQUIREMENTS OF FAIR HOUSING

Federal laws require PHAs to treat all applicants and participants equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Orders 11063 and 13988
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)

- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the *Federal Register* February 3, 2012, and further clarified in Notice PIH 2014-20
- Violence Against Women Act (VAWA)

When more than one civil rights law applies to a situation, the laws will be read and applied together.

KHA Policy

KHA will not:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the housing choice voucher program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Subject anyone to sexual harassment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or participant toward or away from a particular area on based any of these factors
- Deny anyone access to the level of services equal to others
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

KHAs FSS program will follow the procedures in the HCV Administrative Plan, the Public Housing Admissions and Continued Occupancy Policy, and the PHA's Fair Housing Plan in meeting its nondiscrimination obligations.

KHA will consider, on a case-by-case basis, requests for reasonable accommodation from persons with disabilities to facilitate participation in the FSS program. Requests will be made initially to the FSS coordinator and forwarded to the appropriate person and program within KHA as outlined in the Administrative Plan, the ACOP, and the Fair Housing Plan. If a family is not satisfied with the response, the family may submit a request in writing in accordance with the agency's reasonable accommodations policy. The policy is available in person at **KHA, 1915 W. 4th Pl., Kennewick, WA 99336** or online at **www.kennewickha.org**.

KHA will honor requests from a person with disabilities for the use of effective communication strategies in order to facilitate participation in the FSS program as outlined in the Administrative Plan, the ACOP, and the Fair Housing Plan. Requests will be made initially to the FSS coordinator and forwarded to the appropriate person and program within KHA as outlined in the Administrative Plan, the ACOP, and the Fair Housing Plan. If a family is not satisfied with the response, the family may submit a request in writing in accordance with the agency’s Effective Communications Plan. The policy is available in person at **KHA, 1915 W. 4th Pl., Kennewick, WA 99336** or online at **www.kennewickha.org**. Examples of effective communications include, but are not limited to, appropriate auxiliary aids and services, such as interpreters, computer-assisted real time transcription (CART), captioned videos with audible video description, visual alarm devices, a talking thermostat, accessible electronic communications and websites, documents in alternative formats (e.g., Braille, large print), or assistance in reading or completing a form, etc.

KHA will comply with HUD requirements to conduct oral and written communication related to the FSS program in languages that are understandable to people with Limited English Proficiency as outlined in the Administrative Plan, the ACOP, and the Fair Housing Plan. Requests will be made initially to the FSS coordinator and forwarded to the appropriate person and program within KHA as outlined in the Administrative Plan, the ACOP, and the Fair Housing Plan. If a family is not satisfied with the response, the family may submit a request in writing in accordance with the agency’s Limited English Proficiency policy. The policy is available in person at **KHA, 1915 W.4th Pl., Kennewick, WA 99336** or online at **www.kennewickha.org**.

PART II: SCOPE OF THE FSS PROGRAM

2-II.A. HOUSING-ASSISTED FAMILIES ELIGIBLE TO PARTICIPATE IN FSS

The Section 8 and Public Housing programs through which families are eligible to participate in the FSS program was expanded by the 2018 Economic Growth Act to allow participants in HCV Homeownership, Moderate Rehabilitation, Moderate Rehabilitation Single Room Occupancy, and Family Unification Program (FUP), including the Foster Youth to Independence (FYI) Initiative.

KHA Policy

KHA will serve families in the FSS program from the housing programs indicated in the chart below:

Housing Programs	PHA Serves
Public Housing	1

Special Purpose Vouchers such as	
VASH	0
FYI	0
Mainstream Vouchers	0

Non Elderly Disabled	1
Emergency Housing Voucher	0
Stability Voucher	0
Project Based Vouchers	10

2-II.B. PHAs REQUIRED TO OPERATE AN FSS PROGRAM

Each PHA that received funding for public housing units under the FY 1991 and FY 1992 FSS incentive award competitions must operate a Public Housing FSS program. Each PHA that received funding for Section 8 rental certificates or vouchers under the combined FY 1991/1992 FSS incentive award competition also must operate a Section 8 FSS program.

In addition, unless the PHA receives an exemption under 24 CFR 984.105, each PHA for which HUD reserved funding (budget authority) for additional rental certificates or vouchers in FY 1993 through October 20, 1998, must operate a Section 8 FSS program. Each PHA for which HUD reserved funding (budget authority) to acquire or construct additional Public Housing units in FY 1993 through October 20, 1998, must operate a Public Housing FSS program as well.

Every PHA that was required to administer an FSS program on May 24, 2018 (the enactment date of the Economic Growth, Regulatory Relief, and Consumer Protection Act) must continue to operate that FSS program for the total number of families determined by HUD on that date unless the PHA receives an exception as described in 24 CFR 984.105(d).

Mandatory Minimum Program Size (MMPS) [24 CFR 984.105]

PHAs that are required to operate an FSS program under 24 CFR 984.101 are subject to a minimum program size requirement.

KHA Minimum Program Size

As determined by HUD as of May 24, 2018, KHA's FSS MMPS is **59**.

Maintaining Mandatory Minimum Program Size

Although the discretion to do so ultimately rests with the PHA, mandatory minimum program size can decrease as FSS participants successfully complete the program. Per the regulation, for each family that completes the program by fulfilling its FSS contract of participation on or after May 24, 2018, the mandatory minimum program size for a PHA's FSS program is reduced by one slot. However, if an FSS slot is vacated by a family that has not completed its FSS contract of participation obligations, the slot must be filled by a replacement family which has been selected in accordance with the FSS family selection procedures [24 CFR 984.105(b)(2)].

KHA Policy

KHA will reduce the FSS mandatory minimum program size by one for each family that completes the program by fulfilling its FSS contract of participation.

Option to Operate Larger FSS Program

A PHA may choose to operate an FSS program of a larger size than the minimum required by HUD [24 CFR 984.105(a)(3)].

KHA Policy

KHA will not operate an FSS program of a larger size than its mandatory minimum program size.

Exception to Program Operation [24 CFR 984.105(c)]

The requirement to establish and carry out an FSS program may be waived with approval from HUD. In order to waive the requirement, the PHA must provide a certification to HUD that the establishment and operation of an FSS program is not feasible because of a lack of accessible supportive services funding, a lack of the availability of programs under the Workforce Innovation and Opportunity Act, a lack of funding for reasonable administrative costs, a lack of cooperation by other units of state or local government, or a lack of interest in participating in the FSS program on the part of eligible families.

An exception will not be granted if HUD determines that local circumstances do not preclude the PHA from effectively operating an FSS program that is smaller than the minimum program size.

Reduction in Program Size

Rather than a full exception to program operation, a PHA may also be permitted to operate an FSS program that is smaller than the minimum program size. As with the full exception, HUD may grant the PHA such a partial exception if the PHA provides to HUD a certification that the operation of an FSS program of the minimum program size is not feasible because of a decrease in or lack of accessible supportive services [24 CFR 984.105(d)].

Expiration of Exception

The approval for a full or partial exception to the FSS minimum program size requirement expires five years from the date of HUD approval of the exception. If a PHA seeks to continue

an exception after its expiration, the PHA must submit a new request and a new certification to HUD for consideration [24 CFR 984.105(e)].

2-II.C. COOPERATIVE AGREEMENTS [24 CFR 984.106]

A PHA may enter into a Cooperative Agreement with one or more multifamily-assisted housing owners to voluntarily make the PHA’s FSS program available to the owner’s housing tenants. The Cooperative Agreement must include all the requirements for such agreements found in 24 CFR 984.106 and 24 CFR 887.107.

KHA Policy

KHA will not enter into a Cooperative Agreement with multifamily-assisted housing owner(s) to voluntarily make its FSS program available to those owner’s housing residents.

2-II.D. ESTIMATE OF PARTICIPATING FAMILIES [24 CFR 984.201(d)(2)]

The PHA must provide an estimate of the number of eligible FSS families who can reasonably be expected to receive supportive services under the FSS program based on available and anticipated federal, tribal, state, local, and private resources.

KHA Policy

KHA has estimated the eligible FSS families that can reasonably be expected to receive supportive services under the FSS program, based on historical FSS program data as well as available and anticipated federal, tribal, state, local, and private resources as follows:

HUD FSS Coordinator Funding: KHA has, in the past **5 years** have received funding for **one (1)** coordinator. The minimum number of participants required to be served based on this funding is 25.

Existing FSS Programs: The PHA’s FSS program has enrolled **1-2** new families into the FSS program each year. Accordingly, the PHA expects to provide FSS Services to 50 to 75 families over a five-year period.

New FSS Programs: The PHA expects to provide FSS services to **5** families during the initial five years of the FSS program. This is based on the assumption that 10 to 12 families will graduate during the five-year period and 5 families will leave the program through withdrawal or termination, each year. New families will be enrolled as those families exit.

Mandatory FSS Programs: The PHA has a remaining FSS program mandate to serve **59** families. See table below of the estimated participation, completion, and attrition for both the Public Housing program and the HCV program.

Original Mandated Number of Participants HCV and PH	FSS Graduates	Remaining Mandatory Slots

May 24, 2018 Mandated Number of Participants HCV and PH	FSS Graduates Since May 24, 2018	Remaining Mandatory Slots
<u>64</u>	<u>5</u>	<u>59</u>

**2-II.E. ELIGIBLE FAMILIES FROM OTHER SELF-SUFFICIENCY PROGRAMS
[24 CFR 984.201(d)(3)]**

If applicable, the PHA must enter the number of families, by program type, who are participating in any other local housing self-sufficiency program who are expected to agree to execute an FSS contract of participation.

KHA Policy

KHA does not operate Jobs Plus self-sufficiency programs and therefore no additional families from other programs are expected to execute an FSS contract of participation.

2-II.F. ELIGIBILITY OF A JOINT PROGRAM [24 CFR 984.201(e); FAQ on FSS Final Rule Implementation 7/23/23, Imp42]

A PHA that wishes to operate a joint FSS program with other PHAs or owners of multifamily-assisted housing may combine its resources with one or more of these entities to deliver supportive services to families enrolled from both entities in their FSS programs. These combined partners must have separate action plans with the same policies that meet the requirements of this part and will provide for the establishment and operation of the combined FSS program. These action plans have different information in the family demographics and mandatory program size sections.

KHA Policy

KHA will not combine its resources with any other PHA to deliver support services, have a joint action plan, or establish or operate a combined FSS Program.

PART III: PROGRAM OPERATION

2-III.A. OVERVIEW

Federal regulations specify requirements for FSS program operation regarding deadlines for program start-up and when the PHA is expected to have attained full enrollment. A timetable illustrating when the PHA intends to meet these deadlines is included as part of the required contents of the action plan.

2-III.B. PROGRAM IMPLEMENTATION DEADLINE

The deadlines for program implementation differ depending on whether the FSS program is voluntary or mandatory.

Voluntary Program [24 CFR 984.301(a)]

There is no deadline for implementation of a voluntary program. However, a voluntary program may not be implemented before the requirements specified in 24 CFR 984.201 have been satisfied (see Sections 1-II.A.–1-II.D.).

2-III.C. TIMETABLE FOR PROGRAM IMPLEMENTATION [24 CFR 984.201(d)(13)]

A timetable for implementation of the FSS program is part of the required contents of the FSS action plan. Unless otherwise required under a Notice of Funding Opportunity, there is no deadline for the implementation of a voluntary program.

KHA Policy

For voluntary programs, KHA will implement the FSS program within one year from the date of approval of either the FSS Action Plan by the HUD field office, or within the time identified in the applicable FSS funding contract with HUD.

For mandatory FSS programs, KHA has the obligation to continue to fill their mandatory FSS slots effective May 24, 2018, as determined by the HUD field office.

KHA will implement its FSS program according to the following timetable:

Activity	Month and Date

PART IV: DEFINITIONS

2-IV.A. DEFINITIONS [24 CFR 984.103]

The terms *1937 Act*, *fair market rent*, *HUD*, *low-income family*, *public housing*, *public housing agency (PHA)*, *secretary*, and *Section 8*, as used in this document are defined in the 24 CFR Part 5.

The term *very low-income family* is defined in 24 CFR 813.102 and 24 CFR 913.102.

The terms used in this document have the following definitions as defined by 24 CFR 984.103 and this family self-sufficiency action plan.

Baseline annual earned income means the FSS family's total annual earned income from wages and business income (if any) as of the effective date of the FSS contract. When calculating baseline annual earned income, all applicable exclusions of income must be applied, *except for* any disregarded earned income or other adjustments associated with self-sufficiency incentives that may apply to the determination of annual income.

Baseline monthly rent means 1) the FSS family's total tenant payment (TTP), as of the effective date of the FSS contract, for families paying an income-based rent as of the effective date of the FSS contract; or 2) the amount of the flat or ceiling rent (which includes the applicable utility allowance), and including any hardship discounts, as of the effective date of the FSS contract. For families paying a flat or ceiling rent this is as of the effective date of the FSS contract.

KHA Policy

Benefits means a government benefit of money or monetary value given to an individual by a federal, state, or local government agency for purposes of financial assistance, including but not limited to, Medicaid, supplemental nutritional assistance program benefits and Social Security, Temporary Assistance for Needy Families, and unemployment compensation benefits.

KHA Policy

KHA Policy

Certain interim goals means the family has met all its obligations under the CoP to date, including completion of the ITSP interim goals and tasks to date.

Certification means a written assertion based on supporting evidence, provided by the FSS family or the PHA or owner, which must be maintained by the PHA or owner in the case of the family's certification, or by HUD in the case of the PHA's or owner's certification. These must be made available for inspection by HUD, the PHA or owner, and the public, when appropriate. In addition, these will be considered accurate unless the Secretary or the PHA or owner, as applicable, determines otherwise after inspecting the evidence and providing due notice and opportunity for comment.

Chief executive officer (CEO) means the CEO of a unit of general local government who is the elected official or the legally designated official having primary responsibility for the conduct of that entity's governmental affairs.

KHA Policy

Comply with the lease means the FSS family is compliant with the lease if it has not been evicted for repeated or serious violations of the lease as defined in the HCV Administrative Plan and Public Housing Admissions and Continued Occupancy Policy; or if they have been evicted for repeated and serious violations of the lease, the family has pursued their right to grieve, and the family has prevailed in either the grievance hearing or the informal hearing process.

Contract of participation (CoP) means a contract in a form approved by HUD, entered into between a participating FSS family and a PHA operating an FSS program that sets forth the terms and conditions governing participation in the FSS program. The contract of participation includes all individual training and services plans entered in between the PHA and all members of the family who will participate in the FSS program, and which plans are attached to the contract of participation as exhibits. For additional details, see 24 CFR 984.303.

Current annual earned income means the FSS family's total annual earned income from wages and business income (if any) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract. When calculating current annual earned income, all applicable exclusions of income will apply, including any disregarded earned income and other adjustments associated with self-sufficiency incentives or other alternative rent structures that may be applicable to the determination of annual income.

Current monthly rent means either the FSS family's TTP as of the most recent reexamination of income, which occurs after the effective date of the FSS contract, for families paying an income-based rent as of the most recent reexamination of income; or the amount of the flat rent, including applicable utility allowance or ceiling rent. This amount must include any hardship discounts, as of the most recent reexamination of income, which occurs after the effective date of the FSS contract, for families paying a flat rent or ceiling rent as of the most recent reexamination of income.

Earned income means income or earnings included in annual income from wages, tips, salaries, other employee compensation, and self-employment. Earned income does not include any pension or annuity, transfer payments, any cash or in-kind benefits, or funds deposited in or accrued interest on the FSS escrow account established by a PHA on behalf of a participating family.

Effective date of contract of participation means the first day of the month following the month in which the FSS family and the PHA entered into the contract of participation.

Individual Training and Services Plan (ITSP) means a written plan that is prepared by the PHA or owner in consultation with a participating FSS family member (the person with for and whom the ITSP is being developed), and which describes the final and interim goals for the participating FSS family member, the supportive services to be provided to the participating FSS family member, the activities to be completed by that family member, and the agreed upon completion dates for the goals, and activities. Each ITSP must be signed by the PHA or owner and the participating FSS family member and is attached to and incorporated as part of the CoP. An ITSP must be prepared for each adult family member who elects to participate in the FSS program, including the head of FSS family who has signed the CoP.

KHA Policy

Knowledgeable professional means a person who is knowledgeable about the situation, has training, education, certification, or licensure provided by recognized professional associations and institutions that legitimizes their professional opinion, is competent to render a professional opinion, and is not able to gain, monetarily or otherwise, from the KHA FSS program decision in the area to which they are certifying.

Multifamily-assisted housing, also known as project-based rental assistance (PBRA), means rental housing assisted by a Section 8 Housing Payments Program, pursuant to 24 CFR Parts 880, 881, 883, 884, and 886.

KHA Policy

Owner means the owner of multifamily-assisted housing.

Participating family is defined as *FSS family* in this section.

Program coordinating committee (PCC) means the committee described in 24 CFR 984.202.

Public housing means housing assisted under the 1937 Act, excluding housing assisted under Section 8 of the 1937 Act.

Section 8 means assistance provided under Section 8 of the 1937 Act (42 U.S.C. 1437f). Specifically, multifamily-assisted housing, as defined in this section; tenant-based and project-based rental assistance under section 8(o) of the 1937 Act; the HCV homeownership option under section 8(y) of the 1937 Act; Family Unification Program (FUP) assistance under section 8(x) of the 1937 Act; and the Section 8 Moderate Rehabilitation (Mod Rehab) for low-income families and Moderate Rehabilitation Single Room Occupancy (Mod Rehab SRO) for homeless individuals under 24 CFR part 882.

Self-sufficiency means that an FSS family is no longer receiving Section 8, public housing assistance, or any federal, state, or local rent or homeownership subsidies or welfare assistance. CHAPTER 3

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices as they are relevant to the activities covered in this plan. The policies and practices are discussed in two parts:

Part I: Staffing, Fees and Costs, and On-Site Facilities: This part describes identifying appropriate staff and contractors to operate the FSS program and provide the necessary direct services to FSS families. In addition, it describes how administrative fees, costs, and supportive services will be funded, and defines the use of on-site facilities.

Part II: The Program Coordinating Committee: This part covers the establishment of a Program Coordinating Committee (PCC), which is a regulatory requirement in all FSS programs other than multifamily housing assistance. It describes required and recommended PCC membership, in addition to the option for an alternative committee.

PART I: STAFFING, FEES AND COSTS, AND ON-SITE FACILITIES

3-I.A. OVERVIEW

Several functions of program administration are crucial to running an FSS program. A PHA may need to employ a program coordinator or decide to contract with another organization to administer the program. In addition to staffing issues, PHAs should understand how program funding and expenses work to keep the program running smoothly. Finally, PHAs need to decide whether and how to make common areas or unoccupied units available to provide supportive services.

3-I.B. PROGRAM ADMINISTRATION STAFF AND CONTRACTORS [24 CFR 984.301(b)]

PHAs have the choice between hiring their own staff and contracting with an outside organization to administer their FSS program. If the PHA should choose to employ its own staff, the staffing levels should be appropriate, and may include one or more FSS coordinators. If the PHA chooses to contract with an outside organization, the organization's staffing levels must likewise be appropriate to establish and administer the FSS program, and whether the organization's responsibilities would include managing the FSS account in accordance with federal regulations.

KHA Policy

KHA will employ appropriate staff, including one FSS Coordinators to administer its FSS program.

3-I.C. FSS PROGRAM COORDINATOR RESPONSIBILITIES

Primary Role of the FSS Program Coordinator

The FSS Program Coordinator is responsible for building partnerships with service providers in the community, working with the Program Coordinating Committee (PCC) and local service providers to ensure that FSS program participants are linked to the supportive services they need to achieve self-sufficiency, preparing an Individual Training and Services Plan (ITSP) for the head of the FSS family and each adult member of the FSS family who elects to participate in the FSS program, making certain that the services included in the participants' CoP are provided on a regular, ongoing, and satisfactory basis, ensuring FSS participants are fulfilling their responsibilities under the CoPs, monitoring progress of participants, and establishing and properly maintaining FSS escrow accounts for eligible families. FSS Coordinators may also provide outreach, recruitment, goal setting, service coordination and coaching for FSS participants, and tracking of FSS program performance.

FSS Program Coordinators funded under the FSS Coordinator Notice of Funding Opportunity (NOFO) may not perform the routine Public Housing or Section 8 program functions of housing eligibility, leasing, rent calculation, and portability that are funded through Section 8 administrative fees or Public Housing operating funds unless doing so would enhance the effectiveness of the program. If conducting these functions would enhance the effectiveness of the FSS program, the PHA must seek prior approval from HUD of those enhancements to the FSS program and certify that doing so will neither interfere with the FSS Coordinator's ability to fulfill their primary role nor be used to balance or fill in for gaps in traditional staffing.

Performance of routine Section 8 or Public Housing functions for non-FSS families does not enhance the effectiveness of the FSS program and is therefore an ineligible use of FSS funds [2021 FSS NOFO, p. 36].

KHA Policy

KHA will require the FSS Program Coordinator to perform the routine Section 8 or Public Housing program functions of housing eligibility, leasing, rent calculation, and portability that are funded through Section 8 administrative fees or Public Housing operating funds.

3-I.D. ADMINISTRATIVE FEES AND COSTS

The Consolidated Appropriations Act of 2014 combined funding streams for the Section 8 and Public Housing FSS programs. FSS funding is now awarded through one NOFO. Use of this funding is no longer restricted to the applicable program and funding now may be used to serve both Section 8 and Public Housing FSS participants. Funding for FSS Coordinators salary, benefits, and training as well as limited administrative costs is awarded through a Grant Agreement and disbursed through HUD's Line of Credit Control System (LOCCS), rather than as an amendment to the PHA's Annual Contributions Contract (ACC). These funds are separate from other available funds that may be used.

Section 8 FSS Program

In the Section 8 programs, administrative fees are paid to PHAs for HUD-approved costs associated with the operation of an FSS program. These administrative fees are established by Congress and subject to appropriations [24 CFR 984.302(b)].

In addition, administrative fees for HUD-approved costs not specifically related to the operation of the FSS program may be used to cover these costs associated with the administration of FSS.

See 24 CFR 982.152 and PIH 2022-18 for details on the eligible use of administrative fees.

Public Housing FSS Program

For Public Housing FSS programs, the Performance Funding System (PFS), provided under section 9(a) of the 1937 Act, provides for the reasonable and eligible administrative costs that the PHA incurs in conducting the program only when funds have been appropriated. However, a PHA may use other resources for this purpose [24 CFR 984.302(a)].

In other words, the PHA may fund reasonable and eligible administrative costs in the FSS program from the Operating Fund. However, these expenses will only be reimbursed in the operating subsidy when a current appropriations act allows it. In addition, the PHA may fund reasonable and eligible administrative costs from the Capital Fund. Administrative staffing costs may also be funded through HUD or other grant or foundation sources. This includes FSS Coordinator grants when available.

KHA Policy

KHA will make FSS forfeitures, PH Operating funds and FSS grant, and Section 8 administrative fees available to provide administrative costs under the Section 8 or Public Housing FSS program, or both.

3-I.E. SUPPORTIVE SERVICES FEES AND COSTS

Section 8 FSS Supportive Services

In the Section 8 program, the PHA may only fund reasonable and eligible FSS supportive service costs in the FSS program from unrestricted net position if those funds are taken from pre-2004 Administrative Fee Reserve. Post 2003 administrative fee reserve and/or unrestricted net assets may only be used for other housing purposes not FSS supportive services [Notice PIH 2015-17].

The PHA may seek additional funds from HUD through submitting grant applications or seek grants from other sources when available.

In addition to other grant sources, the FSS forfeited escrow account can fund FSS supportive services. See Section 6-I.E. for eligible supportive services costs.

Public Housing FSS Supportive Services

In Public Housing, the PHA may fund reasonable and eligible FSS supportive service costs in the FSS program from the Operating Fund. However, the costs of FSS supportive services are only reimbursed through the operating subsidy when appropriations allow it.

FSS Public Housing supportive services can also be funded through other HUD grants or related government and foundation grants, when available.

KHA Policy

KHA will make FSS forfeitures, PH Operating funds and FSS grant, and Section 8 administrative fees available to provide supportive service costs under the Section 8 or Public Housing FSS program, or both.

3-I.F. TREATMENT OF FORFEITED FSS ESCROW ACCOUNT FUNDS

In addition to HCV unrestricted net position, Public Housing operating funds, and other grant sources, the FSS forfeited escrow account funds must be used for the benefit of FSS participants, which includes supports and other costs for FSS participants in good standing (see definition in Section 2-IV.A.). HUD does not provide an exhaustive list of these supports. However, the supports include, but are not limited to, transportation, childcare, training, testing fees, employment preparation costs, stipends to FSS participants who represent FSS participants on the Program Coordinating Committee, and other costs related to achieving obligations outlined in the Contract of Participation as well as training for FSS program Coordinators [FAQ on FSS Final Rule Implementation 7/23/23, For21].

KHA Policy

KHA will use forfeited escrow accounts for support and other costs for FSS participants in good standing when funds requested are needed to complete an interim goal or task in the ITSP and are not ongoing expenses or if the family can demonstrate that the need for one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, pager, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals in the ITSP.

KHA will use forfeited escrow accounts for training provided to FSS Coordinators.

KHA will define *supports* as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s).

KHA will define *other costs related to achieving obligations in the CoP* as any costs necessary to complete an interim goal, a final goal, or tasks related to such in the ITSP as defined in 24 CFR 984.305(f)(2)(i)(A) as transportation, childcare, training, testing fees, employment preparation costs, other costs related to achieving obligations outlined in the CoP, and training for FSS Program Coordinator(s).

KHA will define *necessary to complete* as meaning that no other resources are available in the community either because such a resource is non-existent or that resources are

utilized above capacity and agencies cannot, for an indetermined period, provide such a resource.

KHA will provide funds from the forfeited escrow account to FSS participants in good standing before requiring the participant to use an “interim” disbursement from their current escrow account so long as:

- The funds requested are needed to complete an interim goal or task within the CoP and are not ongoing expenses; or
- If the family has demonstrated that the need for one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, pager, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals.

KHA will prioritize requests for funds from forfeited escrow accounts initially on a first come first served basis determined by the date and time of the request. After that order is established, while still preserving the first come first served basis, KHA will apply the following priorities:

- Priority 1: Funds to meet a goal in the ITSP that is necessary to ensure the safety and wellbeing of victims of domestic violence, dating violence, sexual assault, and stalking as defined in the KHA’s Section 8 Administrative Plan and Public Housing Admissions and Continued Occupancy Policy regarding VAWA.
- Priority 2: Funds to meet a goal in the ITSP that is necessary to stabilize health, safety, and welfare of the FSS participant or family that if left unattended would jeopardize education, training, or employment.
- Priority 3: Funds to meet a goal in the ITSP that is necessary to further education, training, and employment goals in the ITSP including childcare, transportation, and medical costs if the lack of any of these prevents completion of the education, training, and employment.
- Priority 4: Funds to meet a goal in the ITSP that is necessary to further any other goal or tasks.

3-I.G. ON-SITE FACILITIES

Each PHA may, subject to the approval of HUD, make available and utilize common areas or unoccupied dwelling units in Public Housing projects to provide supportive services under an FSS program. This includes using such areas for participants in a Section 8 FSS program.

KHA Policy

KHA will make the KHA Community Center located at 1915 W 4th Place; Kennewick WA available to provide supportive services under the Public Housing or Section 8 FSS program, or both.

PART II: PROGRAM COORDINATING COMMITTEE

3-II.A. OVERVIEW

As another integral part of FSS program administration, each participating PHA must establish a Program Coordinating Committee (PCC) whose functions will be to assist the PHA in securing commitments of public and private resources for the operation of the FSS program within the PHA's jurisdiction, including assistance in developing the Action Plan and in implementing the program [24 CFR 984.202(a)].

The PCC must consist of specific members, which are dependent upon whether the PHA is operating Section 8, Public Housing, or Multifamily Assisted Housing FSS programs. In addition to these required members, the PCC may also include additional members recommended by regulation.

3-II.B. PROGRAM COORDINATING COMMITTEE MEMBERSHIP

Required PCC Membership [24 CFR 984.202(b)(1)]

The PCC required members consist of representatives of the PHA, at least one FSS Program Coordinator, and one or more participants from each HUD rental assistance program (Section 8, Public Housing, or Multifamily Assisted Housing) served by the PHA's FSS program.

KHA Policy

KHA's representatives to the Program Coordinating Committee will be the HCV Supervisor/Compliance Director or the Director of Property Management, at least one FSS Program Coordinator, and one or more participants from each of the housing programs in which there is an FSS program: Section 8, Public Housing, and Multifamily Assisted Housing, as applicable.

Assistance in Identifying Potential PCC Members [24 CFR 984.202(b)(1)]

The PHA may seek assistance from area-wide, city-wide, or development-based resident councils, the resident management corporation, or the Resident Advisory Board, in identifying potential PCC members.

KHA Policy

KHA will seek assistance in identifying potential members of the PCC from area-wide, city-wide, and development-based resident councils, the resident management corporation, or the Resident Advisory Board.

Recommended PCC Membership [24 CFR 984.202(b)(2)]

Membership on the PCC also may include representatives of the unit of general local government served by the PHA, local agencies (if any) responsible for carrying out employment training programs or programs funded under the Workforce Innovation and Investment Act, and other organizations, such as other state, local, or tribal welfare and employment agencies, public

and private education or training institutions, child care providers, nonprofit service providers, private business, and any other public and private service providers with resources to assist the FSS program.

KHA Policy

KHA's FSS Program Coordinating Committee membership will include leadership from the following organizations:

3-II.C. ALTERNATIVE PCC COMMITTEE [24 CFR 984.202(c)]

It is also possible for the PHA, in consultation with the Chief Executive Officer of the unit of general local government served by the PHA, to use an existing entity as the PCC, if the membership of the existing entity consists or will consist of the individuals required by regulation (See section 3-II.B. above).

KHA Policy

KHA will not utilize an existing entity as its Program Coordinating Committee (PCC).

CHAPTER 4

SELECTING AND SERVING FSS FAMILIES

INTRODUCTION

FSS regulations require that the PHA include in its action plan a statement indicating how it will select families for participation in the FSS program. This includes outreach, waiting list management, and other selection procedures. When followed, the PHA's selection procedures ensure that families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

Once selected for participation in the FSS program, families are to be provided various activities and supportive services so that they may obtain the education, employment, business, and social skills necessary to achieve self-sufficiency. A description of such activities and supportive services is also a requirement of the FSS action plan.

This chapter contains three parts:

Part I: Incentives, Outreach, and Assurance of Noninterference: This part describes the incentives the PHA will offer and the outreach efforts the PHA will use to encourage participation and recruit eligible families for the FSS program and contains the required assurance of noninterference with the rights of nonparticipating families.

Part II: Family Selection: This part covers whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so. In addition, this part describes the selection factors the PHA will use in screening families for participation in the FSS program.

Part III: Activities and Support Services: This part lists the activities and supportive services to be provided to families through both public and private resources, describes the method the PHA will use to identify family support needs, and covers the required certification of coordination.

PART I: INCENTIVES, OUTREACH, AND ASSURANCE OF NONINTERFERENCE

4-I.A. OVERVIEW

The FSS program offers incentives such as the FSS escrow account, service coordination, coaching, and other supportive services that not only encourage participation, but also help families achieve self-sufficiency. In addition to encouraging program participation through such incentives, PHAs also conduct outreach to recruit FSS participants from among eligible families. As part of this process, families need to know that their choice as to whether to participate in the FSS program will not affect their admission to the Section 8 or public housing programs, nor will it affect their right to occupancy in any way. This part describes the PHA's policies regarding these issues, all of which are required aspects of the FSS action plan.

4-I.B. INCENTIVES FOR PARTICIPATION [24 984.201(d)(5)]

By regulation, the FSS action plan must include a PHA’s incentives plan—a description of the incentives that the PHA intends to offer eligible families to encourage their participation in the FSS program. The incentives plan provides for the establishment of the FSS escrow account and any other incentives designed by the PHA.

KHA Policy

KHA will offer the following services, as needed to complete obligations in the contract, to its FSS participants as incentives to participate in FSS.

Incentive	Provided By	Description
FSS escrow account	KHA	KHA will maintain
Service coordination/Coaching	KHA	KHA will determine as necessary

4-I.C. OUTREACH EFFORTS [24 CFR 984.201(d)(6)(i)(ii)]

In addition to offering incentives for FSS participation, PHAs also conduct outreach to recruit more FSS participants from eligible families. The FSS action plan must include a description of these efforts to recruit FSS participants, including notification and outreach, the actions the PHA will take to assure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known.

KHA Policy

KHA will notify eligible families about the FSS program using the following outreach locations, activities, methods, and languages, where appropriate. These points of contact and methods have been selected to ensure that both minority and nonminority groups are informed about the FSS program.

4-I.D. ASSURANCE OF NONINTERFERENCE WITH THE RIGHTS OF NONPARTICIPATING FAMILIES [24 CFR 984.201(d)(10)]

A family’s housing assistance or admission into assisted housing must never, unless approved by HUD, depend on whether they choose to participate in the FSS program, and PHAs need to make this known as part of the recruitment process. For this reason, the PHA’s action plan must include an assurance that a family’s decision to not participate in the FSS program will not affect the family’s admission to the Section 8 or public housing programs, nor will it affect the family’s right to any provision of occupancy in accordance with the lease.

KHA Policy

Participation in the FSS program is strictly voluntary. Section 8 participants and public housing residents will be notified in all literature and media presentations related to the FSS program that should they decide not to participate in the FSS program, it will not affect their Section 8 or public housing. This material will also specify that the family will retain the right to occupancy according to their lease and family obligations contract.

PART II: FAMILY SELECTION

4-II.A. OVERVIEW

The FSS action plan is required to contain a statement indicating the procedures for selecting families for FSS program participation, including a description of how the PHA will do so without regard to race, color, religion, sex (including actual or perceived gender identity), familial status, or national origin. This part describes these procedures, considering whether the PHA will use preferences for family selection and which preferences the PHA will employ if they choose to do so, in addition to defining the factors the PHA will use in screening families for program participation.

4-II.B. COMPLIANCE WITH NONDISCRIMINATION PROVISIONS

In accordance with 24 CFR 5.105, all PHAs must comply with all federal, state, and local nondiscrimination laws and regulations, including but not limited to the Fair Housing Act, the Americans with Disabilities Act, and Section 504 of the Rehabilitation Act of 1973. In addition, PHAs need policies which both state that their actions will not discriminate and describe the steps taken to ensure nondiscrimination.

KHA Policy

KHA will comply with all federal, state, and local nondiscrimination laws and regulations, including but not limited to the Fair Housing Act, the Americans with Disabilities Act, and Section 504 of the Rehabilitation Act of 1973.

No person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under the FSS program on the grounds of race, color, sex, religion, national or ethnic origin, family status, source of income, disability or perceived gender identity and sexual orientation.

In addition, KHA's FSS staff will, upon request, provide reasonable accommodation to persons with disabilities to ensure they are able to take advantage of the services provided by the FSS program (see Requests for Reasonable Accommodations).

The FSS program staff has the primary responsibility to make sure that participants are not discriminated against in the selection process. For families or individuals whose potential enrollment is in question, the FSS coordinators will review the file in a staff review meeting to ensure that non-selection is not based on discriminatory factors before the final decision is made. Any concerns regarding family's potential enrollment will be reviewed with KHA's Fair Housing representative. Applicants will be notified in writing of the reasons they were not selected for participation and will have the opportunity to appeal against the decision (see Section 5-II.I.). At all times, KHA will select families for participation in the FSS program in accordance with FSS regulations and HUD guidelines.

4-II.C. FSS SELECTION PREFERENCES

As part of the process for selecting families for participation in the FSS program, the PHA may choose whether to employ the use of preferences. If the PHA so chooses, it has the option of giving a selection preference for up to 50 percent of its FSS program slots to eligible families who have one or more family members currently enrolled in an FSS-related service program or who are on the waiting list for such a program. Such a preference may be further limited to participants in and applicants for one or more specific eligible FSS-related service programs.

Should the PHA choose to adopt such a preference, it would need to include the following information in its action plan:

- The percentage of FSS slots, not to exceed 50 percent of the total number of FSS slots for each of its FSS programs, for which it will give a selection preference
- The FSS related service programs to which it will give a selection preference to the programs' participants and applicants
- The method of outreach to and selection of families with one or more members participating in the identified programs [24 CFR 984.203(a)]

A PHA may wish to adopt additional selection preferences as well.

KHA Policy

KHA will provide a selection preference on its FSS waiting list for zero percent of its FSS program slots to eligible families who have one or more family members currently enrolled in or on the waiting list for the FSS-related service programs of KHA's partners on the FSS Program Coordinating Committee.

KHA will provide a selection preference on its FSS waiting list for Section 8 families porting in with an FSS contract of participation. When services become available, KHA will provide a non-targeted FSS selection preference to a family that wants to participate in the FSS program but is terminated with escrow disbursement because supportive services were unavailable at the time.

KHA will provide a selection preference to families that have been denied enrollment to FSS within the last year because they were not current on debts owed KHA or were not in compliance with the regulations at 24 CFR Part 5 and Chapters VIII and IX regarding participation in the relevant rental assistance program. Not in compliance means that the family was found to be out of compliance after it has exhausted its right to an informal hearing in the HCV program and a grievance hearing in Public Housing.

KHA will give a selection preference if a previous FSS family has been terminated with escrow from this or any KHA FSS program, and if KHA determines after consulting with the family that circumstances of that termination have been mitigated, KHA will give that family a priority on the FSS waiting list to enter the program.

The PHA may use either of the following to select among applicants on the FSS waiting list with the same preference status [24 CFR 984.203(b)]:

- Date and time of application to the FSS program; or
- A drawing or other random choice technique.

KHA Policy

KHA will use the date the family expressed an interest in participating in the FSS program to fill the FSS slots.

4-II.D. SELECTION FACTORS

Many factors contribute to whether a PHA may choose to select a family for participation in the FSS program. These selection factors can help the PHA screen families for admission, and contribute to the PHA's decision to either allow or deny a family's admission into the FSS program.

Motivation Selection Factors [24 CFR 984.203(d)(1)]

A PHA may screen families for interest and motivation to participate in the FSS program provided that the factors utilized by the PHA are those which solely measure the family's interest and motivation to participate in the FSS program. For this reason, PHAs must only apply motivational screening factors that are permissible under the regulations.

Permissible Motivation Selection Factors

Permitted motivational factors include requiring attendance at FSS orientation sessions or pre-selection interviews or assigning certain tasks indicating the family's willingness to undertake the obligations that may be imposed by the FSS contract of participation. However, any tasks assigned must be readily accomplishable by the family based on the family members' educational level, abilities, or disabilities, if any. Reasonable accommodations must be made for individuals whose disability (mobility, manual, sensory, speech impairments, mental, or developmental disabilities) creates a barrier to accomplishing the tasks [24 CFR 984.203(d)(2)].

KHA Policy

KHA will screen families for interest and motivation to participate in the FSS program by assigning a meeting or workshop which is the same type of meeting or workshop for each family. KHA will only use the fact that the family attended as a screening factor, even if tasks or exercises are not completed in the meeting. Each family will be given two opportunities to attend the orientation session and may request accommodation if unable to attend a scheduled orientation session. In addition, if the family needs either childcare or transportation to be able to attend, or requests an accommodation for a disability, KHA will either refer the family to available services or exempt the family from this screening factor. Accommodations will be offered on a case-by-case basis, depending on the needs of the applicant. Accommodations may include an individually scheduled orientation session, provision of transportation to/from the orientation site, translation services, an alternative location, a virtual orientation session, or allowance and encouragement to bring children to the session, where possible.

Prohibited Motivation Selection Factors

Prohibited motivational screening factors include the family's educational level, educational or standardized motivational test results, previous job history or job performance, credit rating, marital status, number of children, or other factors, such as sensory or manual skills, and any

factors which may result in discriminatory practices or treatment toward individuals with disabilities or minority or nonminority groups [24 CFR 984.203(d)(3)].

Other Selection Factors

In addition to motivational screening, the PHA may also wish to screen families for the following additional selection factors.

- A PHA may refuse to select a family for participation in the FSS program a second time if that family previously participated unsuccessfully (i.e., the family participated, did not meet its FSS obligations, and was terminated from the FSS program) [FAQ on FSS Final Rule Implementation 7/23/23, Par6].
- A PHA may refuse to select a family for participation in the FSS program a second time if that family previously participated, completed their CoP, and received the final distribution of the escrow account if their employment skills or wages are below the level needed to achieve economic self-sufficiency (a wage that pays for basic needs without the use of subsidies).
- The PHA may have a policy to deny FSS participation to a family if it is not in *good standing*, which means not in compliance with relevant regulations and program requirements. HUD has defined *FSS family in good standing* as an FSS family that is in compliance with their FSS CoP, has either satisfied or are current on any debts owed the PHA or owner, and is in compliance with the regulations at 24 CFR Part 5 regarding participation in the relevant rental assistance program.
- The PHA may *deny* FSS participation to a family if the family owes the PHA, or another PHA, money in connection with Section 8 or public housing assistance [FAQ on FSS Final Rule Implementation 7/23/23, Par6].

KHA Policy

KHA will not deny a family for participation in the FSS program a second time if that family previously participated and did not complete.

KHA will enroll a family for participation in the FSS program a second time if that family previously participated, completed the COP, and received a final distribution of their escrow account if their employment skills or wages are below the level needed to achieve economic self-sufficiency (a wage that pays for basic needs without the use of subsidies).

KHA will deny FSS participation to a family if it is not in *good standing*, which means not in compliance with the regulations in Part 5 regarding participation in the relevant rental assistance program. *Not in compliance means* that the family has been found to be out of compliance after it has exhausted its right to an informal hearing in the HCV program and a grievance hearing in public housing. Families who are in good standing with the above will be accepted into the FSS program.

KHA will deny FSS participation to a family if the family owes KHA, or another PHA, money in connection with Section 8 or public housing assistance. Families that owe money to a PHA who have entered into a repayment agreement and are current on that repayment agreement will not be denied FSS participation.

4-II.E. SELECTION OF HEAD OF HOUSEHOLD

Each eligible family that is selected to participate in an FSS program must enter a contract of participation with the PHA. There will be no more than one contract at any time for each family. There may be an ITSP for as many members of the family who wish to participate. The contract shall be signed by a representative of the PHA and the head of FSS family, as designated by the family. This head of FSS family does not have to be the same as the official head of household for rental assistance purposes [24 CFR 984.303(a)].

KHA Policy

KHA will meet with the family to detail the obligations, rights, and privileges that pertain to the FSS head of household and require each adult family member to certify their agreement as to their designated head of the FSS family. These certifications will be a permanent part of the FSS family's record and will be updated with each change of head of household.

PART III: ACTIVITIES AND SUPPORT SERVICES

4-III.A. OVERVIEW

Once families are admitted to the FSS program, the PHA becomes responsible for making sure these families are adequately served. The purpose of the family self-sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of Section 8 and public housing assistance programs with public and private resources, to enable families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency. As such, upon selection, families are matched with the appropriate activities and supportive services so that they may obtain the education, employment, and business and social skills necessary to achieve self-sufficiency. This is a vital element of the FSS program. The PHA must make a good faith effort to replace the obtained services from another agency [24 CFR 984.303(e)].

4-III.B. METHOD OF IDENTIFYING FAMILY SUPPORT NEEDS [24 CFR 984.201(d)(8)]

Before a PHA can determine the services and activities it will provide to FSS families, it must identify the services and activities appropriate to each family. The action plan must contain a description of how the program will identify the needs of FSS families and deliver the services and activities according to these needs.

KHA Policy

Supportive services needs will be identified by completion of an informal needs assessment with the FSS coordinator or case manager or coach before completion of the initial individual training and services plan and signing of the contract of participation. This informal assessment will be the same for each participating family. After enrollment

in KHA’s FSS program, a formal needs assessment, including vocational assessment and counseling, educational assessment and counseling, and employment planning, is conducted by the following partners on the PCC [*Outreach – Columbia Basin College, Outreach and Prevention team Domestic Violence services of Benton & Franklin County, OIC of Washington, Community & Economic Development City of Pasco, Numerica Credit Union, Tri-Cities Foodbank, Family Partnership Benton Franklin Health District, Express Employment Services, Benton County Human Services, Department of Veterans Affairs, DSHS, Habitat for Humanity, WorkSource Columbia Basin, Parent Education Center Pasco School District, TC Futures, Good Will Industries, iMPACT!, Benton Franklin Workforce Development Council, Benton-Franklin Health District, Compass Career Solutions, HAPO Community Credit Union, Kennewick School District, Washington Labor and Industries, Richland Fire Department, Kadlec, Communities in Schools, TC Futures, BVSBF, Commission on Hispanic Affairs, DVSBF, Pasco Fire and Rescue, Catholic Charities, Pasco Municipal Court, OIC of Washington, City of Richland, Compass Career Solutions, Bank of America, Kennewick School District, Tri-Cities Union Gospel Mission, Sagebrush Employment Services, Richland Fire Department*]:

- Adult basic education
- Community college
- Welfare to Work agencies.
- Workforce Investment Act One Stop Center
- TANF

These results are used to modify the ITSP, in mutual agreement with the family.

4-III.C. FSS ACTIVITIES AND SUPPORT SERVICES DESCRIPTION
[24 CFR 984.201(d)(7)]

As part of the required contents of the action plan, PHAs must both describe the activities and supportive services to be provided by public and private resources to FSS families and identify the public and private resources that are expected to provide the supportive services.

Of course, this task assumes that the PHA has first identified the needed activities and supportive services.

KHA Policy

KHA’s FSS program, through its partners on the program coordinating committee, will provide the following activities and support services to FSS families:

4-III.D. CERTIFICATION OF COORDINATION [24 CFR 984.201(D)(12)]

The FSS action plan is required to contain a certification that the development of the activities and services under the FSS program has been coordinated with the programs under title I of the Workforce Innovation and Opportunity Act,, and any other relevant employment, child care, transportation, training, and education programs in the applicable area. The implementation of the FSS program’s activities and services must continue to be coordinated as such to avoid duplication of activities and services.

KHA Policy

KHA certifies that its FSS program has developed its services and activities in coordination with programs under Title I of the Workforce Innovation and Opportunity Act, Workforce Investment Board and American Job Centers (also known as Workforce Centers or One Stop Career Centers), and any other relevant employment, childcare, transportation, training, and education programs in the applicable area. The implementation of these activities and services will continue to be coordinated in this manner to avoid duplication of activities and services.

CHAPTER 5

CONTRACT OF PARTICIPATION

INTRODUCTION

Each family that is selected to participate in an FSS program must enter into a contract of participation with the PHA. This contract, which is signed by the head of the FSS family, sets forth the principal terms and conditions governing participation in the FSS program, including the rights and responsibilities of the FSS family and of the PHA, the services to be provided to the head of the FSS family and each adult member of the family who elects to participate in the program, and the activities to be completed by them. The contract incorporates the individual training and services plan [24 CFR 984.303].

This chapter contains two parts:

Part I: Overview and Family Obligations: This part provides an overview of the form and content of the contract of participation and describes what the contract requires of FSS families.

Part II: Contract Specifications: This part explains the specifications of the contract, including terms and conditions, contract modification, contract terminations, and grievance procedures.

PART I: OVERVIEW AND FAMILY OBLIGATIONS

5-I.A. OVERVIEW [24 CFR 984.303 and FAQ on FSS Final Rule Implementation 7/23/23, Imp9]

The purpose of the FSS contract of participation is to set forth the principal terms and conditions governing participation in the FSS program, including the incorporation of the individual training and services plan (ITSP) as part of the contract's required contents. The ITSP is meant to establish goals the FSS family will meet to measure their progress in completing the contract and becoming self-sufficient. In addition to the goals specified in the ITSP, the contract also lists the responsibilities of the family and the PHA. This part covers the ITSP as part of the required contents of the contract of participation, and the family's obligations under the contract.

The Economic Growth, Regulatory Relief, and Consumer Protection Act was passed on May 24, 2018. The subsequent FSS Final Rule was published on May 27, 2022, and became effective on June 16, 2022. On that effective date, current families enrolled in the FSS program could be offered the opportunity to enter into a new FSS contract with the PHA. The terms of that new contract are substantially different from the terms in the previous contract and have significant benefits to—and opportunities for—the previous FSS families.

Because of the advantages to the families, and for consistency in the FSS program as a whole, HUD encourages PHAs to offer and enter into the new contract with families. These previous

FSS participants, however, may not be required to accept the new contract [FAQ on FSS Final Rule Implementation 7/23/23, Imp9 and Imp31]. If FSS families enrolled prior to June 16, 2022, choose to remain on the previous contract and new FSS families with new contract terms enrolled June 16, 2022, and after, the PHA must operate an FSS program with two different sets of policies and procedures for the CoP, the action plan, and the escrow accounts [FAQ on FSS Final Rule Implementation 7/23/23 Imp3 July 23, 2023].

KHA Policy

KHA will offer the new June 16, 2022, CoP to FSS families under the previous FSS contract for the advantages and opportunities it offers to these families and for the sake of consistency in the FSS program as a whole.

5-I.B. CONTENTS OF THE CONTRACT OF PARTICIPATION

Individual Training and Services Plan

There will only ever be one FSS contract of participation (CoP) at any time for each FSS family. As part of the required contents of the FSS contract of participation (CoP), the individual training and services plan (ITSP) establishes specific interim and final goals by which the PHA and the family measure the family's progress toward fulfilling its obligations under the contract of participation and becoming self-sufficient. Interim and final goals will differ depending on the family's individual needs. Regulations require the establishment of a final goal that includes both employment for the head of the FSS family and independence from welfare assistance for all family members regardless of age.

Interim Goals [24 CFR 984.303(b)(2)]

PHAs must work with each participant to establish realistic and individualized goals and may not include additional mandatory goals or mandatory modifications of the two mandatory goals.

Individual Training and Service Plans for Other than FSS Head [24 CFR 984.103]

An individual training and services plan is required for the head of the FSS family and all adults choosing to participate. ITSPs must be prepared for each adult family member participating. ITSPs are prepared by the PHA, in consultation with the participating family member.

5-I.C. FAMILY OBLIGATIONS

Compliance with Lease Terms [24 CFR 984.303(b)(3)]

One of the obligations of the FSS family according to the contract of participation is to comply with the terms and conditions of the Section 8 or public housing lease.

Inability to comply with the lease represents an inability to comply with the contract, therefore regulations regarding noncompliance with the FSS contract apply [see 24 CFR 984.303(b)(5)]. It is up to the PHA to determine the plan of action for FSS families found in noncompliance with the lease and how the PHA will precisely define the term *comply with the lease*. All

considerations allowed for other assisted residents regarding violations of the lease, must also be allowed for FSS participants.

KHA Policy

KHA will define *comply with the lease* to mean the FSS family has not been evicted for repeated or serious violations of the lease as defined in the Section 8 Administrative Plan and public housing Admissions and Continued Occupancy Policy; or if they have been evicted for repeated and serious violations of the lease, the family has pursued their right to grieve, and the family has prevailed in either the grievance hearing or the informal hearing process.

KHA's FSS program will not terminate the FSS contract of participation for failure to comply with the terms of the lease except at the end of the contract if compliance issues are not resolved.

Employment Obligation [24 CFR 984.303 (b)(4)]

Another obligation set forth by the contract of participation is for the head of the FSS family to *seek and maintain suitable employment* during the term of the contract and any extension. Although other members of the FSS family may seek and maintain suitable employment during the term of the contract, it is only a requirement for the head of the FSS family.

The obligation for the head of the FSS family to *seek employment* is defined in the regulatory language as meaning that the head of the FSS family has searched for jobs, applied for employment, attended job interviews, and has otherwise followed through on employment opportunities. However, this definition still leaves room for policy decisions on the part of the PHA because it does not define the level of activity involved in "seeking."

There is no regulatory definition of *maintain suitable employment*. For this reason, it is up to the PHA to define the term. However, there can be no minimum period of time that the head of the FSS family must work.

With the agreement of the FSS family member, the PHA makes a determination of what it means to maintain suitable employment based on the skills, education, and job training of the FSS head of household, receipt of other benefits of the family member, and the available job opportunities within the jurisdiction served by the PHA. This means that the PHA must consult with the family member and agreement must be reached as to what *maintain suitable employment* is for that family member [24 CFR 984.303 (b)(4)].

KHA Policy

For purposes of KHA's FSS program, *seek employment* means the head of household has applied for employment, attended job interviews, and otherwise followed through on employment opportunities as outlined in the individual training and services plan of their contract of participation.

Maintain suitable employment is employment, on the last day of the contract, which is outlined in the individual training and service plan and is based on the skills, education,

job training, and receipt of other benefits of the head of the FSS family. The PHA will require verification of this employment or enrollment.

5-I.D. CONSEQUENCES OF NONCOMPLIANCE WITH THE CONTRACT

Consequences apply for families who do not meet the terms and conditions of the contract. The regulations require that the contract of participation specify that if the FSS family fails to comply, without good cause, with the terms and conditions of the contract (including compliance with the Section 8 or public housing lease), the PHA may:

- Withhold supportive services
- Terminate the family's participation in the FSS program

PHAs are not permitted to terminate a family's housing assistance due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

KHA Policy

The contract of participation (CoP) will be terminated before the expiration of the contract term if the participant fails to meet, without "good cause," their obligations as outlined in the CoP. If the participant fails to meet its obligations outlined in the CoP, the FSS coordinator, or their designee, will:

1. First, meet with the family to reassess the need for supportive services or a change in the individual training and services plan (ITSP).
2. Second, if a reassessment of supportive services and a change in the ITSP is not successful in bringing the family in to compliance, the FSS coordinator will reassess the need for, and availability of, supportive services and refer the participant to a knowledgeable professional for a formal assessment of the challenges leading to the noncompliance.
3. Third, the FSS Coordinator will use this formal assessment to identify and refer to resources that remove the challenge, so the participant is able to meet their obligations outlined in the CoP.
4. Finally, if none of these alternatives is successful, the FSS coordinator will terminate the CoP for failure to complete the tasks, interim goals, or final goals of the ITSP in a timely manner, and thus failure to complete the obligations outlined in the CoP.

The FSS coordinator will make an exception to the actions in terminating the CoP if the participant can, with the assistance of the FSS Coordinator, demonstrate "good cause" for the failure to meet its obligations as outlined in the CoP.

For purposes of the KHA FSS program, *good cause* includes circumstances beyond the control of the FSS family:

Family circumstances

- Death in the family

- Serious illness
- Medical emergency
- Mandatory court appearances
- Involuntary loss of employment
- Loss of head of household through death, incarceration, or removal from lease
- Change in the ITSP improving progress toward economic self-sufficiency

Community circumstances

- Significant reduction in workforce (over 20 percent reduction in employment field)
- Significant interruption in service delivery (over 3-month interruption)
- Provider noncompliance with regulation
- Provider unable or unwilling to provide service
- Provider offering inferior service

Active pursuit of a current or additional self-sufficiency goal

- Resolution of a barrier to employment
- Resolution or mitigation of debt or financial obligation
- Completion of a college degree or technical training
- Completion of a work-related certification
- Credit repair towards homeownership readiness

PART II: CONTRACT SPECIFICATIONS

5-II.A. OVERVIEW

In addition to making clear the family’s obligations under the program, the contract of participation contains specific terms and conditions, including those governing contract modifications, terminations, and grievance procedures. This part describes those specifications and associated policy.

5-II.B. CONTRACT TERM [24 CFR 984.303(c)]

The initial term of the CoP will run from the effective date through the five-year anniversary of the first reexamination of income that follows the execution date. The CoP will go into effect on the first day of the month following the execution of the CoP.

Contract Extension [24 CFR 984.303(d)]

While the term set forth in the contract of participation is for five years, contract extensions are available. According to regulation, PHAs must for “good cause” extend the term of the contract for a period not to exceed two years for any FSS family that requests an extension of the contract in writing or verbally. The family’s written or verbal (documented by the FSS Coordinator) request for an extension must include a description of the need for the extension. *Good cause*

means circumstances beyond the control of the FSS family, as determined by the PHA, such as a serious illness or involuntary loss of employment (further defined by PHA policy in Section 5-I.D.). Extension of the contract of participation will entitle the FSS family to continue to have amounts credited to the family's FSS account.

5-II.C. MODIFICATION OF THE CONTRACT

The contract of participation (CoP) may be modified, as long as the PHA and the FSS family mutually agree to modify it. This includes modifications in writing with respect to the individual training and services plans (ITSPs), the contract term (See Section 5-II.B. above), and designation of the head of the family [24 CFR 984.303(f)]. The conditions under which the PHA will modify the contract are set forth in the policy below.

KHA Policy

In KHA's FSS program, the CoP will be modified by mutual agreement between KHA and the FSS head of household:

- When modifications to the ITSP improve the participant's ability to complete their obligations in the CoP or progress toward economic self-sufficiency.
- When the actual end date of the CoP is determined by the effective date of the FSS family's first reexamination changes the end date of the CoP.
- When the designated head of the FSS family ceases to reside with other family members in the assisted unit, the remaining family members designate another family member to be the FSS head of household and receive escrow funds.
- When an FSS family moves to the jurisdiction of a receiving PHA that does not have an FSS program and the family may not continue participation in the FSS program, and modification of the FSS contract will allow the family to complete the contract and receive an escrow disbursement or terminate the contract with escrow disbursement.
- Other – KHA will not allow modifications if the CoP is withing 90 days from the end of the term.

5-II.D. COMPLETION OF THE CONTRACT

By regulation, the contract of participation is considered to be completed when the head of household is employed and the FSS family has fulfilled all of its obligations under the contract of participation, including all family members' ITSPs, on or before the expiration of the contract term, including any extension thereof.

Policies on verifying completion of the contract of participation can be found in Section 6-I.C. of this action plan.

5-II.E. TRANSITIONAL SUPPORTIVE SERVICE ASSISTANCE

Even after a family has completed the contract of participation, a PHA may continue to offer appropriate FSS supportive services to a former completed FSS family. If the family still resides in Section 8 or public housing, these supportive services would be offered for becoming self-sufficient. If the family no longer resides in Section 8 or public housing, these supportive

services would be offered for becoming self-sufficient or remaining self-sufficient. Transitional services for families who no longer reside in Section 8 or public housing, may only be offered using sources that are not HUD funds or HUD restricted funds [24 CFR 984.303(j)]. PHAs or owners may allow former unassisted FSS families to attend FSS activities or functions, like job fairs and clinics, so long as these activities ordinarily serve public housing residents or Section 8 participants without proration of funding [FR Notice 5/17/22].

KHA Policy

KHA will continue to offer supportive services to a former FSS family who has completed its contract of participation. These services will be provided by FSS service coordinators whether or not they are compensated through the FSS coordinator grant.

KHA will allow former unassisted FSS families to attend FSS activities or functions, without proration of funding sources, when these activities ordinarily serve public housing residents or Section 8 participants.

5-II.F. TERMINATION OF THE CONTRACT

Termination of the Contract with Escrow Distribution [24 CFR 984.303(k)]

The contract of participation will be terminated with escrow distribution before the expiration of the contract term, during any extension of the contract, or at end of the term of the contract if all obligations under such have not been met, when:

- Services that the PHA and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency are unavailable, as described in Section 5-II.H. of this Action Plan.
- The head of the FSS family becomes permanently disabled and unable to work during the period of the contract, unless the PHA and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family; or
- An FSS family in good standing moves outside the jurisdiction of the PHA (in accordance with portability requirements at 24 CFR 982.353) for good cause and continuation of the CoP after the move or completion of the CoP prior to the move is not possible. PHAs must be consistent in their determinations of whether a family has good cause for a termination with FSS escrow disbursement.

Termination of the Contract without Escrow Distribution [24 CFR 984.303(h)]

The contract of participation may be terminated before the expiration of the contract term and any extension of the contract by the following:

- Mutual consent of the parties
- Failure of the FSS family to meet its obligations under the contract of participation without good cause, including in a Section 8 FSS program the failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA
- The family's withdrawal from the FSS program
- Such other act as is deemed inconsistent with the purpose of the FSS program
- Operation of law

KHA Policy

The CoP will be terminated before the expiration of the contract term, and any extension thereof, for any of the following reasons

- Mutual consent of the parties.
- Family's withdrawal from the FSS program.
- Failure of the FSS family to meet its obligations under the contract of participation without good cause. *Good cause* for the purposes of the FSS program is also defined in Section 5-I.D. of this Action Plan.
- Such other acts are deemed inconsistent with the purpose of the FSS program.
- Operation of law.

If the FSS family faces termination due to failing to meet, without good cause, its obligations under the CoP, the PHA will follow the relevant policy specified in Section 5-I.D. of this action plan.

Note: The contract of participation is automatically terminated if the family's Section 8 assistance is terminated in accordance with HUD requirements [24 CFR 984.303(h)].

5-II.G. OPTION TO WITHHOLD SUPPORTIVE SERVICE [24 CFR 984.303(b)(5)(i)]

As touched upon in Section 5-I.D. of this action plan, the PHA has the option to withhold supportive services or the FSS family's participation in the FSS program if the PHA determines that the FSS family has failed to comply without good cause with the requirements of the contract of participation.

PHAs are not permitted to terminate Section 8 assistance to a family due to the family's failure to meet its obligations under the contract of participation [24 CFR 984.101(d)].

5-II.H. PHA OBLIGATION TO MAKE GOOD FAITH EFFORT TO REPLACE UNAVAILABLE SUPPORT SERVICES [24 CFR 984.303(e)]

PHAs must make an extensive good faith effort to replace services that community agencies either cannot or will not provide. If all of the steps below are exhausted without the provision of an integral service, the contract of participation can be ended ahead of time as a result. This, however, should only occur as a last resort. The PHAs good faith effort must be demonstrated by taking the following steps:

- If a social service agency fails to deliver the supportive services pledged under an FSS family member's individual training and services plan (ITSP), the PHA must make a good faith effort to obtain these services from another agency.
- If the PHA is unable to obtain the services from another agency, the PHA must reassess the family member's needs and determine whether other available services would achieve the same purpose.
- If other available services would not achieve the same purpose, the PHA shall determine whether the unavailable services are integral to the FSS family's advancement or progress toward self-sufficiency.
- If the unavailable services are not integral to the FSS family's advancement toward self-sufficiency, the PHA must revise the ITSP, delete these services, and modify the contract of

participation to remove any obligation on the part of the FSS family to accept the unavailable services.

- If the unavailable services *are* determined to be integral to the FSS family's advancement toward self-sufficiency (which may be the case if the affected family member is the head of the FSS family), the PHA shall terminate the contract of participation and follow the requirements in Section 5-II.F. of this Action Plan.

Termination of the contract of participation based on unavailability of supportive services shall never be grounds for termination of Section 8 or public housing assistance.

5-II.I. GRIEVANCE PROCEDURES

When adverse action is taken by the PHA against a family, the PHA is required to provide a grievance hearing in the public housing program, or an informal hearing in the Section 8 program [24 CFR 966 subpart B, 24 CFR 982.554].

According to regulatory requirements, the FSS action plan must contain the grievance and hearing procedures available for FSS families against whom the PHA has taken adverse action with regards to FSS [24 CFR 984.201(d)(9)].

KHA Policy

The grievance and informal hearing procedures for the FSS program will be the same as the grievance and hearing procedures adopted for the Section 8 and public housing programs in KHA's administrative plan and admissions and continued occupancy policy, respectively (Refer to ACOP and/or Administrative Plan).

Adverse actions taken within the FSS program include:

- Denial of admission into the FSS program
- Denial of request for supportive services
- Denial of request to change the ITSP
- Denial of request to change the head of household
- Denial of request for interim disbursement of the escrow account
- Denial of request to complete the CoP
- Denial of a request for extension to the FSS CoP
- Denial of request for either interim or final distribution of escrow account
- Withholding of support services
- Termination of the FSS CoP
- Denial of request for termination with escrow
- Denial of transitional services

CHAPTER 6

ESCROW ACCOUNT

INTRODUCTION

The establishment of an escrow account is offered as a support and financial incentive to families for participation in the FSS program. Under this incentive, the amount of an increase in family rent resulting from an increase in earned income is escrowed. That is, usually a family's rent or share of the rent goes up when the family experiences an increase in earned income. In the FSS program, this is still the case, and the part of the rent representing the increase is deposited into an account as an escrow credit. The funds from this escrow account then become available to FSS families upon successful completion of their contracts of participation and may become available earlier at the housing authority's option.

This chapter explains how the FSS escrow account works, including calculating the amount of the escrow credit, disbursing the funds, and the proper way for the PHA to manage and report on the account.

This chapter contains two parts:

Part I: The Escrow Account: This part provides an overview of how the escrow account works, including calculating the escrow credit and disbursing the funds upon completion of the contract of participation.

Part II: Escrow Fund Accounting and Reporting: This part describes the requirements for managing the escrow account, including both accounting and reporting requirements.

PART I: THE ESCROW ACCOUNT

6-I.A. OVERVIEW

As an integral incentive to the FSS program, it is especially important to have clear-cut policy spelling out how the escrow account works. This includes policy regarding the calculation of the FSS credit amount, the disbursement of FSS account funds, the use of account funds for homeownership, and forfeiture of the FSS escrow account.

6-I.B. CALCULATING THE FSS CREDIT AMOUNT

Determination of Baseline Annual Earned Income and Baseline Monthly Rent

When determining the family's baseline annual earned income and the baseline monthly rent amounts for purposes of computing the FSS escrow credit, the PHA must use the amounts on the family's most recent income reexamination in effect.

For purposes of determining the FSS credit, baseline monthly rent for families paying an income-based rent is the family's Total Tenant Payment (TTP) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract.

For families in public housing who are paying either flat or ceiling rent, family rent is the amount of the flat rent (including the applicable utility allowance) or ceiling rent (including any hardship discounts) as of the most recent reexamination of income, which occurs after the effective date of the FSS contract [24 CFR 984.103(b)].

Determination of the Escrow Credit

To calculate the FSS credit, the PHA must accurately determine the family's baseline earned income and baseline monthly rent and compare those figures with the family's current earned income and current monthly rent. The FSS credit is the lesser of 30 percent of one-twelfth or 2.5 percent of the amount by which the family's current annual earned income exceeds the family's baseline annual earned income; or the increase in the family's monthly rent. The increase in the family's monthly rent is the lower of either the amount by which the family's current monthly rent exceeds the family's baseline monthly rent, or for Section 8 families, the difference between the baseline monthly rent and the current gross rent (*i.e.*, rent to owner plus any utility allowance) or the payment standard, whichever is lower [24 CFR 984.305(b)(2)].

Determination of Escrow Credit for Families Who Are Not Low Income

FSS families who are not low-income families are not entitled to any FSS credit [24 CFR 984.305(b)(2)].

Increases in FSS Family Income [24 CFR 984.304]

As described in the FSS credit calculations above, any increases in family earned income resulting in increases in family rent are deposited in the escrow account. For this reason, and because of the nature of the FSS account, any increase in the earned income of an FSS family during its participation in an FSS program may not be considered as income or an asset for purposes of eligibility of the FSS family for other benefits, or amount of benefits payable to the FSS family, under any other program administered by HUD.

Cessation of FSS Credit [24 CFR 984.305(b)(4)]

The PHA will not make any additional credits to the FSS family's FSS account when the family has completed the contract of participation, when the contract of participation is terminated, when the family is not low-income, or during the time a Section 8 family is in the process of moving to a new unit.

6-I.C. DISBURSEMENT OF FSS ACCOUNT FUNDS

Disbursement before Completion of Contract

The PHA may at its sole option disburse FSS account funds before completion of the contract if the family needs a portion of the funds for purposes consistent with the contract of participation

and the PHA determines that the FSS family has fulfilled certain interim goals established in the contract of participation. These interim disbursements could include, and are not limited to, using the funds to assist the family in meeting expenses related to completion of higher education (e.g., college, graduate school) or job training, or to meet start-up expenses involved in creation of a small business [24 984.305(c)(2)(ii)].

KHA Policy

KHA will disburse a portion of the FSS escrow account funds before completion of the CoP when the family has met certain interim goals, which means the family has met all its obligations under the CoP to date, including completion of the ITSP interim goals and tasks to date, and:

- Requested funds are needed to complete an interim goal or task within the CoP and are not ongoing expenses.

OR

- The family has demonstrated that a one-time payment of otherwise ongoing expenses such as rent, utilities, telephone, cell phone, pager, car payments, car maintenance, insurance, or childcare is needed to complete an interim goal, a final goal, or a task related to such goals.

OR

- Case-by-case basis determined to be reasonable by KHA staff.

Disbursement at Completion of Contract [24 CFR 984.305(c)(1) and 24 984.305(c)(2)(i)]

When the contract has been completed, at or before the expiration date, according to regulation, the amount in the FSS account in excess of any amount the FSS family owes to the landlord or PHA in public housing under the lease will be paid to the head of the FSS family. To receive the disbursement, the head of the FSS family must submit a certification (as defined in 24 CFR 984.103) to the PHA at the time of contract completion that, to the best of his or her knowledge and belief, no member of the FSS family is a recipient of welfare assistance.

The PHA is not required to confirm with the landlord that the FSS participant family owes no debts prior to graduation and escrow disbursement. However, if the landlord or owner has reported any outstanding debts to the PHA, the debt amount will be deducted from the final escrow disbursement prior to disbursement and the PHA will use it to pay the landlord to reduce the debt owed by the participant. PHA will use it to pay the landlord or owner to reduce or settle the debt owed by the participant. The PHA may set a policy to consult with the landlord prior to graduation to determine if the FSS participant family owes debts under the lease [24 CFR 984.305(c) and FAQ on FSS Final Rule Implementation 7/23/23, End8].

Disbursement at Contract Termination [24 CFR 984.305(c)(3)]

The PHA must disburse to the family its FSS escrow account funds in excess of any amount owed to the PHA under the HCV or public housing lease when the contract has been terminated in certain circumstances. These circumstances include when services are not available to the

family that the PHA and the FSS family have agreed are integral to the FSS family's advancement towards self-sufficiency, when the head of the FSS family becomes permanently disabled and unable to work during the period of the contract (unless the PHA and the FSS family determine that it is possible to modify the contract to designate a new head of the FSS family), or when an FSS family moves outside the jurisdiction of the PHA and continuation of the CoP after the move is not possible according to the regulations. In circumstances where a family is not able to continue in FSS after the move, it is also possible for the PHA and the family to determine if the contract can be modified to make completion and receipt of the escrow monies, possible. PHAs must be consistent in their determinations of whether a family has good cause for a termination with FSS escrow disbursement.

Verification of Family Certification at Disbursement

The PHA must verify that the family has met the requirements of either interim, final, or termination of contract with escrow distributions. Interim disbursement may only occur after the family has completed certain interim goals and funds are needed to complete other interim goals. Final disbursement can only occur after the family has completed the contract of participation and all members are welfare-free as defined by regulation. Disbursement at contract termination only occurs if the family circumstances involve a missing integral service, the disability of the FSS head of household, or an FSS family porting out of the jurisdiction of the PHA and HUD regulations do not allow continuation of the FSS contract. In each of these circumstances, it follows that the PHA may require verification for the completion of interim goals or contract of participation.

At interim disbursement and before final disbursement of the FSS account funds to the family, the PHA may verify that the FSS family is no longer a recipient of welfare assistance by requesting copies of any documents which may indicate whether the family is receiving any welfare assistance, and by contacting welfare agencies [24 CFR 984.305(c)(4)].

HUD provides verification guidance in Notice PIH 2018-18. This guidance is mandatory for the Section 8 and public housing programs. The PHA's Administrative Plan or ACOP must contain verification policies following the hierarchy in this notice. The policies contained in the PHA's ACOP and Administrative Plan cover verification policies related to the FSS program in general. However, determining the need for interim disbursements may require more clarification as to what constitutes an acceptable third-party source.

KHA Policy

KHA will require verification that the FSS family has completed certain interim goals, has completed the contract of participation, including requirements regarding non-payment of rent, has met the requirements for termination with disbursement of escrow, and the FSS family is no longer a recipient of welfare assistance, as relevant, before making interim and final disbursements.

KHA will follow HUD's verification hierarchy set forth in Notice PIH 2023-27 to make these verifications, including the guidance therein regarding documentation. KHA will use a knowledgeable professional as a third-party source to verify the need for interim disbursements.

KHA will follow HUD's verification hierarchy to verify with the HCV landlord full payment of monies owed under the lease at the time of completion of the CoP. If the landlord or owner reports any outstanding debts to KHA, the debt amount will be deducted from the final escrow disbursement prior to disbursement and KHA will use it to pay the landlord/owner to reduce/settle the debt owed by the participant [FAQ on FSS Final Rule Implementation 7/23/23, End8].

6-I.D. SUCCESSION TO FSS ACCOUNT [24 CFR 984.305(d) and FR Notice 5/17/22]

FSS account funds should be disbursed to the head of the FSS family. However, if the head of the FSS family no longer resides with the other family members in Section 8 or public housing, the remaining members of the FSS family, after consultation with the PHA, have the right to designate another family member to receive the funds.

If the head of the FSS family dies before the CoP is completed, both the law and the FSS regulations state that the escrow may be withdrawn by the participating family. An estate is not considered to be a participating family; therefore, the escrow may not be distributed to the estate of the FSS head of household.

HUD will consider waiver requests, as has been the case prior to this rulemaking. The regulations for requesting regulatory waivers are found in Notice PIH 2013-20.

KHA Policy

KHA will forward a request for waiver when "good cause" warrants when an FSS participant dies before completing the CoP. KHA will apply its definition of *good cause* in Chapter 2 of this Action Plan in its decision to forward such a request to HUD. The regulations for requesting regulatory waivers are found in Notice PIH 2013-20.

6-I.E. USE OF FSS ACCOUNT FUNDS FOR HOMEOWNERSHIP

According to regulation, a Section 8 or public housing FSS family may use the final distribution of FSS account funds for the purchase of a home, including the purchase of a home under one of HUD's homeownership programs, or other federal, state, or local homeownership programs, unless the use is prohibited by the statute or regulations governing the particular homeownership program [24 CFR 984.305(e)].

Homeownership is just one possibility for use of the FSS account funds. PHAs may not restrict the use of escrow funds at contract completion.

6-I.F. FORFEITURE OF FSS ACCOUNT FUNDS

Amounts in the FSS account will be forfeited when the contract of participation is terminated without escrow disbursement, or when the contract of participation is completed by the family (see Section 5-II.D. of this action plan) but the FSS family is receiving welfare assistance at the time of expiration of the term of the contract of participation, including any contract extension [24 CFR 984.305(f)(1)].

Use of forfeited escrow accounts is described in detail in Section 3-I.F. of this FSS Action Plan.

Treatment of Forfeited FSS Account Funds

FSS escrow account funds forfeited by the FSS family must be used by the PHA for the benefit of the FSS participants. These funds may only be used for support for FSS participants in good standing. These supports include transportation, childcare, training, testing fees, employment preparation costs, and other costs related to achieving obligations outlined in the CoP; or training for FSS Program Coordinator(s). Forfeited FSS escrow accounts may not be used for salary and fringe benefits of FSS Program Coordinators, general administrative costs of the FSS program, for the overall implementation of the FSS program, or for housing assistance payments (HAP) expenses or public housing operating funds. Accounting Brief 26 describes the accounting requirements in the treatment of forfeited escrow accounts.

PART II: ESCROW FUND ACCOUNTING AND REPORTING

6-II.A. OVERVIEW

Regulations set forth specific requirements involving the accounting and reporting for the FSS escrow account. This part describes those requirements and the PHA policy necessary for managing the account from the PHA perspective.

6-II.B. ACCOUNTING FOR FSS ACCOUNT FUNDS

When establishing FSS escrow accounts, the PHA must deposit the FSS account funds of all families participating in the PHA's FSS program into a single depository account for each (Section 8 or public housing) program. These funds are determined at each reexamination after the effective date of the contract and must be deposited each month to each family's subsidiary line item in the PHAs escrow account. In addition, the funds held in this account must be invested in one or more of the HUD-approved investments [24 CFR 984.305].

Crediting the Escrow Account [24 CFR 984.305(a)(2)(i)]

The total of the combined FSS account funds will be supported in the PHA accounting records by a subsidiary ledger showing the balance applicable to each FSS family. During the term of the contract of participation, the PHA must credit the amount of the FSS credit (see Section 6-I.B.) to each family's FSS account every month.

Proration of Investment Income [24 CFR 984.305(a)(2)(ii)]

Because the FSS account funds are to be invested, the investment income for those funds in the FSS account will also need to be credited to each family's account subsidiary line item. By regulation, these funds are to be prorated and credited to each family's FSS account based on the balance in each family's FSS account at the end of the period for which the investment income is credited.

KHA Policy

Each quarter the full amount of the interest income for funds in the Public Housing and Section 8 FSS accounts will be prorated and credited to each family’s escrow account quarterly.

Reduction of Amounts Due by FSS Family [24 CFR 984.305(a)(2)(iii) and FAQ on FSS Final Rule Implementation 7/23/23, End9]

At Completion for Monies Owed to the PHA or HCV Landlord by the Family

If the FSS family has not paid the family contribution towards rent, or other amounts, if any, due under the public housing or Section 8 lease, the balance in the family’s FSS account shall be reduced by that amount (as reported by the owner to the PHA in the Section 8 FSS program) at the time of final disbursement of FSS escrow funds. The FSS family must comply with the terms and conditions of their public housing or Section 8 lease. The family must be “current” with their rent or, if rent is owed, the family must become current with a repayment agreement in order to graduate from FSS and receive disbursed escrow funds.

During the Contract of Participation

If during the CoP, a family owes money to the landlord in HCV or the PHA in public housing, the PHA may not unilaterally take escrow funds from the family’s escrow to pay rent or other debts owed to the owner or PHA [FAQ on FSS Final Rule Implementation 7/23/23, End15].

Before Completion for Underreported Income

At Baseline When the Family Joins FSS for Underreported Income

If the FSS family is found to have underreported income in the reexamination used to set the baseline, the PHA will recalculate escrow for the entire period of the CoP using the correct income to set the baseline and then calculate subsequent escrow amounts.

After Baseline When Family is in FSS for Underreported Income

If the FSS family has been found to have underreported income after the baseline annual earned income was set, the amount credited to the FSS escrow account will be based on the income amounts originally reported by the FSS family.

6-II.C. REPORTING ON THE FSS ACCOUNT

Each PHA must make a report, at least once annually, to each FSS family on the status of the family’s FSS account.

At a minimum, the report must include [24 CFR 984.305(a)(3)]:

The balance at the beginning of the reporting period

The amount of the family’s rent payment that was credited to the FSS account, during the reporting period

Any deductions made from the account for amounts due the PHA before interest is distributed

The amount of interest earned on the account during the year

The total in the account at the end of the reporting period

KHA Policy

KHA will provide FSS participants with an annual statement on the status of their FSS escrow account.

CHAPTER 7

PORTABILITY IN SECTION 8 FSS PROGRAMS

INTRODUCTION

PHAs operating Section 8 FSS programs must be familiar with the rules and regulations regarding portability under the Section 8 program. As with the case of portability in the Section 8 program in general, the FSS family may move outside the initial PHA jurisdiction under portability procedures after the first 12 months of the FSS contract of participation [24 CFR 984.306].

In the event that an FSS family chooses to exercise portability, certain special requirements regarding the FSS program would apply. This chapter describes the obligations of the initial PHA, the receiving PHA, and the FSS family under portability, in addition to any special stipulations regarding portability in the FSS context.

This chapter contains two parts:

Part I: Portability in the FSS Program: This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

Part II: The Effects of Portability on FSS Regulations and Policy: This part describes the specific ways in which portability affects different aspects of the FSS program, including the escrow account, program termination, loss of the FSS account, and termination of Section 8 program assistance.

PART I: PORTABILITY IN THE FSS PROGRAM

7-I.A. OVERVIEW

Portability is a statutory feature of the Section 8 program—it is included in the law. As such, PHAs operating a Section 8 FSS program need to understand the effects that portability will have on Section 8 FSS families and program operation. This part provides a general overview of portability in the FSS program, including the residency requirements for FSS portability and management of the contract of participation when a family moves into or from another PHA's jurisdiction.

7-I.B. DEFINITIONS

For the purposes of portability with regards to the FSS program, the following definitions will be used [24 CFR 982.4, 24 CFR 984.306].

- *Initial PHA* means both:

1. A PHA that originally selected a family that later decides to move out of the jurisdiction of the selecting PHA; and
 2. A PHA that absorbed a family that later decides to move out of the jurisdiction of the absorbing PHA.
- *Receiving PHA* means a PHA that receives a family selected for participation in the tenant-based program of another PHA. The receiving PHA either absorbs the family into its program, including issuing a voucher and providing rental assistance to the family, or bills the initial PHA for the family's housing assistance payments and the fees for administering the family's voucher.
 - *Relocating FSS Family* refers to an FSS family that moves from the jurisdiction of a PHA at least 12 months after signing its contract of participation.

7-I.C. RESIDENCY REQUIREMENTS

Families participating in a Section 8 FSS program are required to lease an assisted unit within the jurisdiction of the PHA that selected the family for the FSS program for a minimum period of 12 months after the effective date of the contract of participation. However, the initial PHA may approve a family's request to move outside its jurisdiction under portability during this period if the move is in accordance with the regulations at 24 CFR 982.353 [24 CFR 984.306(a)(1)].

KHA Policy

KHA will approve a family's request to move outside its jurisdiction under portability during the first 12 months after the effective date of the contract of participation if the move is in accordance with the regulations for such moves at 24 CFR 982.353.

All FSS families signing the services Contract of Participation will be informed they must live in the jurisdiction of the initial PHA for one year.

After the first 12 months of the FSS contract of participation, the FSS family may move outside the initial PHA jurisdiction under portability procedures regardless of PHA approval [24 CFR 984.306(a)(2)].

7-I.D. PORTABILITY REQUIREMENTS FOR FSS PARTICIPANTS

Receiving PHA Offers an FSS Program [24 CFR 984.306(b) and FAQ on FSS Final Rule Implementation 7/23/23, Port2]

When a port-in family is enrolling in the receiving PHA's FSS program, the receiving PHA must execute a CoP with the family for the remainder of the term of the initial CoP. If a port-in family will continue in the initial PHA's FSS program, they will continue under their initial CoP, including any modifications necessary due to their relocation [FSS FAQ Port2 July 23, 2023].

There is no timeline for the receiving PHA to execute the CoP. HUD recommends that the receiving and initial PHAs coordinate the voucher port into the receiving PHA and execution of the new CoP at the receiving PHA to minimize any lapse in the participant's progress.

KHA Policy

KHA, as either the receiving or initial housing authority, will coordinate the voucher port and execute a CoP with the family for the remainder of the term of the initial CoP to minimize any lapse in the participant's progress. KHA will follow an abbreviated version of Form HUD-52665, *Family Portability Information*, adapted to facilitate FSS families porting, to ensure all necessary activities, escrow amounts, and timelines are completed in a timely manner.

The receiving PHA must enroll an FSS family in good standing in its FSS program unless it is unable to do so. If the receiving PHA is already serving the number of FSS families identified in its FSS Action Plan and determines that it does not have the resources to manage the FSS contract, and the receiving housing authority is administering and billing the voucher, the initial PHA may agree to the FSS family's continued participation in the initial PHA's FSS program.

KHA Policy

KHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

When the receiving PHA does not have FSS space or resources and is absorbing the voucher and thus paying the housing assistance payments, the receiving PHA makes the decision whether to allow the family to remain in the FSS program of the initial PHA.

KHA Policy

KHA, as the receiving PHA, will agree to the participant's continued participation in the initial housing authority's FSS program so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract in the jurisdiction of the receiving housing authority.

When continued FSS participation is not possible, the initial PHA **must** clearly discuss the options that may be available to the family. Depending on the family's specific circumstances, these options include modification of the FSS contract to allow completion of that contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), or termination of the FSS contract and forfeiture of escrow.

KHA Policy

KHA will clearly and repeatedly discuss the options that are available to the family where continued FSS participation is not possible. Depending on the family's specific circumstances, these options may include modification of the FSS contract to allow completion of that contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination with FSS escrow disbursement, requesting a regulatory waiver to allow disbursement of the escrow, or termination of the FSS contract and forfeiture of escrow.

Receiving PHA Does Not Administer an FSS Program [24 CFR 984.306(c)]

If the receiving PHA does not offer an FSS program and the receiving PHA is administering and billing the voucher, the FSS family may continue participation in the FSS program of the initial housing authority. The initial PHA must clearly discuss all of the options that may be available to the family. These may include, but are not limited to, remaining in the FSS program of the initial PHA, modification of the FSS contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

KHA Policy

KHA, as the initial housing authority, will agree to the participant's continued participation in their FSS program when the receiving housing authority does not offer an FSS program and is administering and billing the voucher, so long as the relocating family has demonstrated, with the assistance of the FSS Coordinator, that it will be able to fulfill its responsibilities under the initial or a modified contract at its new place of residence.

If the receiving PHA does not offer an FSS program and the receiving PHA is absorbing the voucher, the FSS family will not be able to continue participation in the FSS program. The initial PHA must clearly discuss all of the options that may be available to the family. These may include, but are not limited to, modification of the FSS contract to allow completion of the contract, locating a receiving PHA that administers an FSS program, termination of the FSS contract with FSS escrow disbursement, or termination of the FSS contract and forfeiture of escrow.

KHA Policy

KHA, as the initial housing authority, will clearly, and repeatedly, discuss all of the options that may be available to the family where continued FSS participation is not possible. Depending on the family's contract specific circumstances, these options include modification of the FSS contract to allow completion of the contract, locating a receiving housing authority that has the capacity to enroll the family in its FSS program, termination of the FSS CoP with FSS escrow disbursement in accordance with 24 CFR 984.303(k)(1)(iii), requesting a regulatory waiver to allow disbursement of the escrow, or termination of the FSS contract and forfeiture of escrow.

A chart summarizing portability impact on an FSS family follows.

PORTABILITY FSS IMPACT ON FSS FAMILY

Family FSS Status		PHA FSS Status	Port Scenario	FSS Impact	PHA or HUD Decides
1.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Billed	Family may continue participation in initial PHA's FSS program or Family may enroll in receiving PHA's FSS program	Determined by the initial PHA. Determined by the receiving PHA.
2.	FSS family ports	Receiving PHA has FSS program Initial PHA has FSS program	Absorbed	Family may enroll in receiving PHA's FSS program or Family may continue participation at initial PHA's FSS program.	Determined by the receiving PHA. Determined by the receiving PHA. *Agreement from the receiving PHA is needed because they would be responsible for most of the FSS tasks under this scenario.
3.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Billed	Family may continue participation in initial PHA's FSS program	First, determined by the initial PHA. Then, receiving PHA must agree. *The receiving PHA would be responsible for submitting the FSS information for the family into IMS/PIC. Receiving PHA's determination must be based on an undue financial or administrative hardship such as the cost of adding an FSS module to their existing systems. If continued participation is agreed to by the PHAs, the initial PHA must provide the receiving PHA with timely and complete FSS addendum information and the receiving PHA is responsible for timely and accurate submission of the FSS information into IMS/PIC.
4.	FSS family ports	Receiving PHA does not have FSS program Initial PHA administers FSS program	Absorbed	Family may not continue participation in initial PHA's FSS program	Determined by HUD. The receiving PHA would be responsible for managing escrow and the receiving PHA does not administer an FSS program.

Single Escrow Account

If the receiving PHA absorbs the voucher and pays the housing assistance payment from their HAP, the receiving PHA will manage the escrow account.

If the receiving PHA administers and bills the initial PHA for the housing assistance payments, the initial PHA will manage the escrow account.

Single Contract of Participation

If the FSS family enrolls in the receiving PHA's FSS program, the receiving PHA will enter a new contract with the FSS family for the term remaining on the contract with the initial PHA. The initial PHA will end its contract with the family.

If the FSS family remains in the FSS program of the initial PHA, pursuant to this section, the contract executed by the initial PHA will remain as the contract in place.

Termination of FSS contract and Forfeiture of Escrow Account [984.306(e)]

If an FSS family relocates to another jurisdiction and is unable to fulfill its obligations under the contract, including any modifications, the PHA, which is a party to the contract, **must terminate the FSS family from the FSS program**. The family's FSS escrow account will be forfeited.

Termination of FSS program participation and forfeiture of FSS escrow must be used only as a last resort after the PHA determines, in consultation with the family, that the family would be unable to fulfill its obligations under the contract after the move, that locating another receiving housing authority with a FSS program is not possible, that the current contract cannot be modified to allow for completion prior to porting, and that the current contract cannot be terminated with FSS escrow disbursement. When termination is the only option, the PHA must clearly notify the family that the move will result in the loss of escrow funds. The PHA must follow its policy for clearly notifying the FSS family of the forfeiture.

7-I.E. NEW FSS ENROLLMENT INTO RECEIVING PHA'S FSS PROGRAM

Administering and Billing of the Voucher

If a non-FSS family ports and the receiving PHA bills the initial PHA, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program if, and only if, the initial PHA manages an FSS program and agrees to such enrollment. If the receiving PHA bills the initial PHA, but the initial PHA does not manage an FSS program, the family may not enroll in the receiving PHA's FSS program.

KHA Policy

KHA, as the receiving PHA, will enroll a non-FSS family who is porting when the initial PHA manages an FSS program, the initial PHA is being billed for the housing assistance payments, and the initial PHA agrees to the family enrolling in KHA's FSS program.

Absorption of the Voucher

If the receiving PHA absorbs the family into its Section 8 program, the receiving PHA may, consistent with the receiving PHA's FSS enrollment policies, enroll a family that was not an FSS participant at the initial PHA into its FSS program.

<i>FSS Participation Status:</i>	<i>PHA's FSS Status:</i>	<i>Port Scenario:</i>	<i>FSS Impact:</i>
FSS family ports	Receiving PHA does not administer FSS Initial PHA administers FSS	Absorbed	Family may not continue participation in initial PHA's FSS program because the receiving PHA would be responsible for managing escrow and the receiving PHA does not administer an FSS program.
Non-FSS family ports	Initial PHA administers FSS Receiving PHA administers FSS	Billed	Family may enroll in receiving PHA's FSS program if the initial PHA agrees. Initial PHA agreement is needed because they would be responsible for managing the FSS escrow account.
Non-FSS family ports	Initial PHA administers FSS Receiving PHA administers FSS	Absorbed	Family may enroll in receiving PHA's FSS program as determined by the receiving PHA.
Non-FSS family ports	Initial PHA does not administer FSS Receiving PHA administers FSS	Billed	Family may not enroll in receiving PHA's FSS program because the initial PHA would be responsible for managing the FSS escrow account and the initial PHA does not administer an FSS program.
Non-FSS family ports	Initial PHA does not administer FSS Receiving PHA administers FSS	Absorbed	Family may enroll in receiving PHA's FSS program as determined by the receiving PHA.

PART II: REPORTING

7-II.A. OVERVIEW

Each PHA that conducts an FSS program shall submit to HUD, in the form prescribed by HUD, a report regarding its FSS program.

7-II.B. CONTENTS OF THE FSS REPORT [24 CFR 984.401]

The report submitted to HUD must include a description of the activities carried out in the FSS program; a description of the effectiveness of the program in assisting families to achieve economic independence and self-sufficiency, including the number of families enrolled and graduated and the number of established escrow accounts and positive escrow balances; a description of the effectiveness of the program in coordinating resources of communities to assist families to achieve economic independence and self-sufficiency; and any recommendations by the PHA or the appropriate local Program Coordinating Committee for legislative or administrative action that would improve the FSS program and ensure the effectiveness of the program. The detailed example of the FSS Annual Report Action Plan is available at HUD's FSS Resource page, which can be located by searching "HUD FSS" on any browser.

7-II.C. FAMILY SELF-SUFFICIENCY GRANT PROGRAM REVIEW PHA SELF-ASSESSMENT

HUD provides a detailed checklist for PHAs to conduct their own self-assessment of their FSS program. The form is administered by the local field office and allows each PHA to gather concrete and comprehensive data covering aspects of the program from FSS Action Plans and Composite Scores through FSS program size, participants, and graduations to reductions in FSS grants and current Memoranda of Agreement with community partners. The detailed example of the FSS Self-Assessment is available at HUD's FSS Resource page, which can be located by searching "HUD FSS" on any browser.
